PROXY STATEMENT

Annual Meeting of Stockholders
to be held November 28, 2000

This Proxy Statement, dated October 18, 2000, is furnished in connection with a solicitation of proxies by Global Income Fund, Inc. (the "Fund") to be voted at the Annual Meeting of Stockholders of the Fund to be held at the offices of the Fund at 11 Hanover Square, New York, New York on Tuesday, November 28, 2000 at 8:00 a.m., and at any postponement or adjournment thereof ("Meeting") for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on October 13, 2000 ("Record Date") are entitled to be present and to vote at the Meeting. Stockholders are entitled to one vote for each Fund share held, and fractional votes for each fractional Fund share held. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon. If the enclosed form of proxy is executed and returned, it nevertheless may be revoked by another proxy or by letter or telegram directed to the Fund, which must indicate the stockholder's name. To be effective, such revocation must be received prior to the Meeting. In addition, any stockholder who attends the Meeting in person may vote by ballot at the Meeting, thereby canceling any proxy previously given. As of the Record Date, the Fund had 5,167,342.77 shares of common stock issued and outstanding. Stockholders of the Fund will vote as a single class.

It is estimated that proxy materials will be mailed to stockholders of record on or about October 20, 2000. The Fund's principal executive offices are located at 11 Hanover Square, New York, New York 10005. Copies of the Fund's most recent Annual and Semi-Annual Reports are available without charge upon written request to the Fund at 11 Hanover Square, New York, New York 10005, or by calling toll-free 1-888-847-4200.

The Fund pays its Directors who are not "interested persons" of the Fund an annual retainer of \$2,500, and a per meeting fee of \$2,750, and reimburses them for their meeting expenses. not pay any other remuneration to its executive officers and Directors, and the Fund has no bonus, pension, profit-sharing or retirement plan. The Fund had four Board meetings, one audit committee meeting, and no executive committee meetings during the Fund's most recently completed full fiscal year ended June 30, 1999. The Fund had two Board meetings, one audit committee meeting, and no executive committee meetings during the Fund's most recently completed fiscal period, ended December 31, 1999. Each Director attended all Board and committee meetings held during such periods during the time such Director was in office. For each such period, the aggregate amount of compensation paid to the nominee by the Fund and by the other four investment companies advised by CEF Advisers, Inc. ("CEF" or the "Investment Manager"), the Fund's investment adviser, and its affiliates (collectively, the "Investment Company Complex") for which such nominee is a Board member was \$0.

The aggregate amount of compensation paid to each continuing Director by the Fund and by all other funds in the Investment Company Complex for which such continuing Director is a Board Member (the number of which is set forth in parenthesis next to the continuing Director's name) for the fiscal year ended June 30, 1999 and for the fiscal period ended December 31, 1999, was as follows:

Name of Continuing Director (the number of other funds) Aggregate Compensation from the Fund

Bassett S. Winmill, a Director of the Fund, may be deemed a controlling person of WCI on the basis of his ownership of 100% of WCI's voting stock and, therefore, a controlling person of the Investment Manager. Since the beginning of the Fund's most recently completed fiscal year, Robert D. Anderson, Bassett S. Winmill, and Thomas B. Winmill received from WCI, respectively, 20,000, 50,000, and 50,000 incentive stock options to purchase shares of WCI's Class A common stock at a weighted average of, respectively, \$2.125, \$2.502, and \$2.502 per share. These options expire after five years.

Audit Committee Report

The audit committee has: (i) reviewed and discussed the audited financial statements with management; (ii) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) received from the auditors disclosures regarding the auditors' independence required by Independence Standards Board Standard No. 1, and discussed with the auditors' independence. Based on these review and discussions, the audit committee recommended to the Board of Directors that the audited financial statements be included in the Fund's annual report to shareholders for the last fiscal period for filing with the SEC.

Audit Committee Members: Robert D. Anderson, George B. Langa, and Peter K. Werner

Statement Regarding Composition of Audit Committee

The rules of the American Stock Exchange ("AMEX rules") require that the Fund have an audit committee comprised solely of independent directors. The Fund's audit committee is comprised of Robert D. Anderson, George B. Langa, and Peter K. Werner. Mr. Anderson would be deemed to be non-independent under the AMEX rules by virtue of being a former officer of the Fund and by virtue of his relationship with CEF, the Investment Manager of the Fund. However, the board of directors has determined that Mr. Anderson's membership on the audit committee is required by the best interests of the Fund and its shareholders, for the following reasons:

1. In view of the current composition of the board of directors of the Fund, to constitute the Audit Committee with at least three independent directors would require the search, recruitment, appointment, orientation, and payment of another independent director and expansion of the current board, which presents an onerous burden on the efficient administration of the Fund.
2. The relative small size of the Fund makes it comparable to small business filers that file reports under SEC Regulation S-B, which are required by AMEX rules to have audit committees comprised of at least two members, only a majority of whom must be independent.
3. An outside, independent agent - State Street - determines daily: (1) a net asset value per share for the Fund to the penny (unaudited); and (2) that substantially all of the assets of the Fund are investment securities for which reliable market quotations are typically available.
4. Investment companies, such as the Fund, are fundamentally different from public operating companies. Unlike operating companies, the assets of the Fund consist exclusively of investment securities and there is little or no opportunity to "manage" earnings or results through selective application of accounting policies. Thus, it is of somewhat lesser value to an investment company that its entire audit committee consist of independent directors.
5. The Fund is subject to the stringent regulatory scheme of the 1940 Act that adequately protects against the abuses the three independent director rule is designed to address. The 1940 Act requires, among other things, that at least 40 percent of the directors on closed end fund boards be independent of fund management, and the 1940 Act's definition of "independence" is stricter than the one set forth in the AMEX rules.
6. Although Mr. Anderson is a director, Vice Chairman and a substantial holder of the non-voting stock of the parent of CEF, WCI, he has recently resigned as a director and officer of CEF and from the office of Vice Chairman of the Fund.
7. While Mr. Anderson has been an officer in title with the Fund, he has never been a paid employee of, or accepted any compensation from, the Fund, nor has he had any relationship with the Fund that would disqualify him from independent director status under the AMEX rules, other than through the Fund's investment management agreements with CEF.
8. Mr. Anderson is currently a director of several investment companies within the Investment Company Complex and has over 30 years of experience with investment company accounting issues. Mr. Anderson has demonstrated and currently affirms that in accordance with AMEX rules he is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement and his past employment experience in finance and accounting and other comparable experience or background has resulted in his financial sophistication, including being or having been a senior officer with financial oversight responsibilities.

Vote Required

Inasmuch as the election of the nominee was approved by the vote of a majority of the Board of Directors, the election of the nominee requires the affirmative vote of a plurality of the votes cast at the Meeting.

THE FUND'S BOARD OF DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS,

RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE NOMINEE.

PROPOSAL 2: RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

The 1940 Act requires that the Fund's independent auditors be selected by a majority of those Directors who are not "interested persons" (as defined in the 1940 Act) of the Fund; that such selection be submitted for ratification or rejection at the Meeting; and that the employment of such independent auditors be conditioned upon the right of the Fund, by vote of a majority of its outstanding voting securities at any meeting called for that purpose, to terminate such employment forthwith without penalty. The Fund's Board of Directors, including a majority of those Directors who are not "interested persons," approved the selection of Tait, Weller & Baker for the fiscal period commencing January 1, 2000 at a Board meeting held on March 8, 2000. Accordingly, the selection by the Fund's Board of Tait, Weller & Baker as independent auditors for the fiscal period commencing January 1, 2000 is submitted to stockholders for ratification or rejection. Apart from its fees received as independent auditors, neither Tait, Weller & Baker nor any of its partners has a direct, or material indirect, financial interest in the Fund or the Investment Manager. Tait, Weller & Baker has acted as independent auditors of the Fund since its organization, and acts as independent auditors of WCI. The Fund's Board believes that the continued employment of the services of Tait, Weller & Baker, as described herein, is in the best interests of the Fund. A representative of Tait, Weller & Baker is expected to be present at the Meeting, will have the opportunity to make a statement, and will be available to respond to appropriate questions.

THE FUND'S BOARD OF DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS, RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE SELECTION OF TAIT, WELLER & BAKER AS INDEPENDENT AUDITORS OF THE FUND.

PROPOSAL 3: TO CHANGE THE CLASSIFICATION OF THE FUND FROM A DIVERSIFIED TO A NON-DIVERSIFIED INVESTMENT COMPANY

The Fund currently is classified as a "diversified" investment company. A diversified investment company is required by the 1940 Act generally to limit its investment, with respect to 75% of its total assets, to not more than 5% of such assets in the securities of a single issuer and to not more than 10% of the outstanding voting securities of such issuer.

By approving the Proposal, stockholders would authorize the reclassification of the Fund as a "non-diversified" investment company, which means that the portion of the Fund's assets that may be invested in the securities of a single issuer would not be limited by the 1940 Act and the amount of the outstanding voting securities of a particular issuer held by the Fund would not be limited. Management of the Fund believes that changing the classification of the Fund from a diversified to a non-diversified investment company would give the Investment Manager more flexibility to focus the Fund's investments in companies that it views as offering the best opportunities to achieve the Fund's investment objective. If the Proposal is approved, a higher percentage of the Fund's assets then could be invested in the securities of a limited number of issuers and in more than 10% of the outstanding voting securities of issuers, including small capitalization companies and private companies. Therefore, the Fund's net asset value per share would be more sensitive to changes in the market value of a single issuer and its portfolio could be less liquid where the Fund takes larger positions in portfolio companies.

The Fund, however, currently intends to continue to conduct its operations so as to qualify as a "regulated investment company" for purposes of the Internal Revenue Code ("Code"), which currently requires that, at the end of each quarter of the taxable year, (i) at least 50% of the market value of the Fund's total assets be invested in cash, U.S. Government securities, the securities of other regulated investment companies and other securities, with such other securities of any one issuer limited for the purposes of this calculation to an amount not greater than 5% of the value of the Fund's total assets, and (ii) not more than 25% of the value of its total assets be invested in the securities of any one issuer (other than U.S. Government securities or the securities of other regulated investment companies). Compliance with the Code's requirements to qualify as a "regulated investment company" is not necessary except at the end of each quarter of the taxable year and, in any

event, there can be no assurance that the Fund will so qualify as a "regulated investment company" for purposes of the Code.

The change in the Fund's status from diversified to non-diversified is being proposed to allow the Investment Manager more flexibility in determining the size of the Fund's investments. Subject to the foregoing discussion, if the Fund becomes non-diversified, the Fund will be able to invest up to 50% of its assets in a single issuer or several issuers. Currently, as a diversified investment company, the Fund may invest only 25% of its assets in a single or just a few issuers. Thus, a change in status from diversified to non-diversified would enable the Fund generally to commit larger portions of its assets to a limited number of investments deemed attractive by the Investment Manager.

The change from diversified to non-diversified would increase the Fund's investment risk. To the extent that a non-diversified company invests in fewer issuers than a diversified company, the performance of any one portfolio security is likely to have a greater impact on the performance of a non-diversified company than would be the case for a diversified company.

Corresponding Changes in Investment Restrictions

If this Proposal is approved by stockholders, the Fund's current Investment Restriction numbered 1 will be deleted. This Investment Restriction currently provides as follows: "[The Fund may not:] 1. Purchase a security if, as a result, more than 5% of the Fund's total assets would be invested in the securities of any one issuer or the Fund would own or hold 10% of the outstanding securities of that issuer, except that up to 25% of the Fund's total assets may be invested without regard to this limitation and provided that this limitation does not apply to securities issued or guaranteed by the U.S. Government, its agencies or instrumentalities or securities of other investment companies." Current Investment Restrictions numbered 2 - 7 will be renumbered 1 - 6.

Vote Required and the Board's Recommendation

Approval of this Proposal requires the affirmative vote of (a) 67% of the Fund's outstanding voting securities present at the Meeting, if the holders of more than 50% of the Fund's outstanding voting securities are present in person or represented by proxy or (b) more than 50% of the Fund's outstanding voting securities, whichever is less.

THE FUND'S BOARD OF DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS, RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" PROPOSAL 3 TO CHANGE THE CLASSIFICATION OF THE FUND FROM A DIVERSIFIED INVESTMENT COMPANY TO A NON-DIVERSIFIED INVESTMENT COMPANY.

ADDITIONAL INFORMATION

A quorum is constituted with respect to the Fund by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the Meeting. In the event that a quorum is not present at the Meeting, or if a quorum is present but sufficient votes to approve any of the proposals are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. In determining whether to adjourn the meeting the following factors may be considered: the nature of the proposals that are the subject of the Meeting, the percentage of votes actually cast, the percentage of negative votes actually cast, the nature of any further solicitation, and the information to be provided to stockholders with respect to the reasons for the solicitation. Any adjournment will require the affirmative vote of a majority of those shares affected by the adjournment that are represented at the meeting in person or by proxy. A stockholder vote may be taken for one or more of the proposals in this Proxy Statement prior to any adjournment if sufficient votes have been received for approval. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote "for" a Proposal in favor of any adjournment, and will vote those proxies required to be voted "against" a Proposal against any adjournment. If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Fund on a particular matter with respect to which the broker or nominee does not have discretionary power) or marked with an

abstention (collectively, "abstentions"), the Fund's shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining "votes cast" on an issue. Abstentions, however, will have the effect of a "no" vote for the purpose of obtaining requisite approval for Proposals 2 and 3.

In addition to the use of the mails, proxies may be solicited personally, by telephone, or by other means, and the Fund may pay persons holding its shares in their names or those of their nominees for their expenses in sending soliciting materials to their principals. The Fund will bear the cost of soliciting proxies. In addition, the Fund will retain D.F. King & Co., Inc. ("D.F. King"), 77 Water Street, 20th Floor, New York, NY 10005, to solicit proxies on behalf of its Board for a fee estimated at \$4,000 plus expenses, primarily by contacting stockholders by telephone and telegram. Authorizations to execute proxies may be obtained by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. In all cases where a telephonic proxy is solicited, the stockholder will be asked to provide his or her address, social security number (in the case of an individual) or taxpayer identification number (in the case of an entity) or other identifying information and the number of shares owned and to confirm that the stockholder has received the Fund's Proxy Statement and proxy card in the mail. Within 48 hours of receiving a stockholder's telephonic voting instructions and prior to the Meeting, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder's instructions and to provide a telephone number to call immediately if the stockholder's instruction are not correctly reflected in the confirmation. Stockholders requiring further information with respect to telephonic voting instructions or the proxy generally should contact D.F. King toll-free at 1-800-431-9646. Any stockholder giving a proxy may revoke it at any time before it is exercised by submitting to the Fund a written notice of revocation or a subsequently executed proxy or by attending the meeting and voting in person.

Discretionary Authority; Submission Deadlines for Stockholder Proposals

Although no business may come before the Meeting other than that specified in the Notice of Annual Meeting of Stockholders, shares represented by executed and unrevoked proxies will confer discretionary authority to vote on matters which the Fund did not have notice of by October 4, 2000 pursuant to Rule 14a-4(c)(1) of the Securities Exchange Act of 1934, as amended (the "1934 Act"). The deadline for submitting shareholder proposals for inclusion in the Fund's proxy statement and form of proxy for the Fund's next annual meeting is June 22, 2001 pursuant to Rule 14a-8(e)2 of the 1934 Act. The date after which notice of a shareholder proposal submitted outside the processes of Rule 14a-8 under the 1934 Act is considered untimely is August 21, 2001. In addition, for a nomination to be made by a stockholder or for any other business to be properly brought before the annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary of the Company in the manner set forth in the Company's By-laws. As of the date hereof, the Company's By-laws provide that to be timely, a stockholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Corporation not less than sixty (60) calendar days nor more than ninety (90) calendar days prior to the anniversary date of the mailing date of the notice of the preceding year's annual meeting; provided, however, that in the event that the annual meeting is called for a date that is not within thirty (30) calendar days before or sixty (60) calendar days after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the later of the sixtieth (60) calendar day prior to such annual meeting or the tenth (10th) calendar day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs. For purposes of that provision, the date of a public disclosure shall include, but not be limited to, the date on which such disclosure is made in a press release reported by the Dow Jones News Services, the Associated Press or any comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15 (d) (or the rules and regulations thereunder) of the 1934 Act or pursuant to Section 30 (or the rules or regulations thereunder) of the 1940 Act.

To the knowledge of the management of the Fund, no person beneficially owned more than 5% of the outstanding shares of the Fund as of the Record Date.

AUDIT COMMITTEE CHARTER

1. The Audit Committee shall consist of all Board members who are "independent directors" in accordance with the American Stock Exchange rules and, only to the extent necessary so that the Committee consists of at least three members, other directors.

In addition, the evaluation of the Fund's financial statements by the Audit Committee is not of the same quality as audits performed by the independent accountants, nor does

3. To carry out its purposes, the Audit Committee shall have the following duties and powers:
 - a. to recommend the selection, retention or termination of auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting services to the Fund's investment adviser (it being understood that the auditors are ultimately accountable to the Audit Committee and the Fund's Board and that the Audit Committee and the Fund's Board shall have the ultimate authority and responsibility to select, evaluate, retain and terminate auditors, subject to any required stockholder vote);
 - b. to ensure receipt of a formal written statement from the auditors on a periodic basis specifically delineating all relationships between the auditors and the Fund; to discuss with the auditors any disclosed relationships or services that may impact the auditors' objectivity and independence; and to take, or recommend that the full Board take, appropriate action to oversee the independence of the auditors;
 - c. to meet with the Fund's auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); and (iii) to consider the auditors' comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto;
 - d. to consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors;
 - e. to review the fees charged by the auditors for audit and non-audit services;
 - f. to investigate improprieties or suspected improprieties in Fund operations; and
 - g. to report its activities to the full Board on a periodic basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate.
4. The Audit Committee shall meet on a regular basis and is empowered to hold special meetings as circumstances require.
5. The Audit Committee shall regularly meet with the Fund's management, including financial personnel.
6. The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the Fund,
7. The Audit Committee shall review the adequacy of this Charter at least annually and recommend any changes to the full Board. The Board shall also review and approve this Charter at least annually.

 - a. the adoption of this formal written Charter and the Audit Committee's annual review and reassessment of the adequacy of this Charter;
 - b. the composition of the Audit Committee consisting of at least three members and the number of independent directors;
 - c. any determination that the Fund's Board has made regarding the independence of directors pursuant to the AMEX rules or applicable law;
