Loan Agreement and Guarantee

On December 20, 2018, certain wholly owned subsidiaries (the “Subsidiaries”) of Global Self Storage, Inc. (the “Company”) entered into a revolving credit loan agreement (the “Loan Agreement”) between the Subsidiaries and TCF National Bank (the “Lender”). Under the Loan Agreement, the Subsidiaries are borrowing from the Lender in the principal amount of up to \$10 million pursuant to a promissory note (the “Promissory Note”). The Promissory Note bears an interest rate equal to 3.00% over the One Month U.S. Dollar London Inter-Bank Offered Rate and is due to mature on December 20, 2021. The obligations under the Loan Agreement are secured by certain real estate assets owned by the Subsidiaries.

The Company entered into a guaranty of payment on December 20, 2018 (the “Guaranty,” and together with the Loan Agreement, the Promissory Note and related instruments, the “Loan Documents”) to guarantee the payment to Lender of certain obligations of the Subsidiaries under the Loan Agreement.

The Loan Documents require the Subsidiaries and the Company to comply with certain covenants, including, among others, customary financial covenants. The Lender may accelerate amounts outstanding under the Loan Documents upon the occurrence of an Event of Default (as defined in the Loan Agreement) including, but not limited to, the failure to pay amounts due to the Lender or commencement of bankruptcy proceedings.

The Company and the Subsidiaries are paying customary fees and expenses in connection with their entry into the Loan Documents.

There is no material relationship between the Company, the Subsidiaries or their affiliates and the Lender, other than in respect of the Loan Documents.

The foregoing description is qualified in its entirety by the full terms and conditions of the Guaranty and the Loan Agreement, filed as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

- (c) any furnishing, exchange, substitution or release of any collateral securing repayment of the Loan, or any failure to perfect any lien in such collateral;

- (d) any failure, omission or delay on the part of the Borrower, the Guarantor, any other guarantor of the Obligations or the Lender to conform or comply with any term of any of the Loan Documents or any failure of the Lender to give notice of any Event of Default (as defined in the Note) to Guarantor;

6. Subrogation Waiver. Until the Obligations are paid in full and all periods under applicable bankruptcy law for the contest of any payment by the Guarantor or the Borrower as a preferential or fraudulent payment have expired, the Guarantor knowingly, and with advice of counsel, waives, relinquishes, releases and abandons all rights and claims to indemnification, contribution, reimbursement, subrogation and payment which the Guarantor may now or hereafter have by and from the Borrower and the successors and assigns of the Borrower, for any payments made by the Guarantor to the Lender, including, without limitation, any rights which might allow the Borrower, the Borrower's successors, a creditor of the Borrower, or a trustee in bankruptcy of the Borrower to claim in bankruptcy or any other similar proceedings that any payment made by the Borrower or the Borrower's successors and assigns to the Lender was on behalf of or for the benefit of the Guarantor and that such payment is recoverable by the Borrower, a creditor or trustee in bankruptcy of the Borrower as a preferential payment, fraudulent conveyance, payment of an insider or any other classification of payment which may otherwise be recoverable from the Lender.

7. Reinstatement. The obligations of the Guarantor pursuant to this Guaranty shall continue to be effective or automatically be reinstated, as the case may be, if at any time payment of any of the Obligations or the obligations of the Guarantor under this Guaranty is rescinded or otherwise must be restored or returned by the Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Guarantor or the Borrower or otherwise, all as though such payment had not been made.

8. Financial Statements. The Guarantor represents and warrants to the Lender that (a) the financial statements of the Guarantor previously submitted to the Lender are true, complete and correct in all material respects, disclose all actual and contingent liabilities, and fairly present the financial condition of the Guarantor, and do not contain any untrue statement of a material fact or omit to state a fact material to the financial statements submitted or this Guaranty, and (b) no material adverse change has occurred in the financial statements from the dates thereof until the date hereof. The Guarantor covenants and agrees to furnish to the Lender or its authorized representatives reasonable information regarding the business affairs, operations and financial condition of the Guarantor, including, but not limited to the financial statements and information required in Section 7.5(d) of the Loan Agreement. As required in Section 7.5(e) of the Loan Agreement, the Guarantor also shall deliver to Lender, together with the afore-described financial statements, a Guarantor Compliance Certificate in the form attached hereto as Exhibit A.

9. Guarantor Financial Covenants. Guarantor shall at all times comply with the Guarantor's Financial Covenants.

10. Transfers; Sales, Etc. Except as otherwise provided herein, Guarantor shall not sell, lease, transfer, convey or assign any of its assets, unless such sale, lease, transfer, conveyance or assignment is performed in the ordinary course of its business and in compliance with Applicable Law (including, without limitation, the acquisition and sale of real property or interests in entities owning real property, issuance of stock, raising capital, guaranteeing obligations of affiliates, and entry into joint venture agreements), and will not have a material adverse effect on the Guarantor's ability to perform its obligations hereunder. In addition, the Guarantor shall not itself become subject to any merger, consolidation, or similar transaction whereby Guarantor is not the surviving entity and does not retain control of the surviving entity. Notwithstanding anything herein or in the other Loan Documents to the contrary, the Lender (i) acknowledges that the Guarantor is a publicly-traded entity and (ii) agrees that the (A) buying, selling, transfer, trading or issuance of stock or other securities by or of the Guarantor or any Guarantor subsidiary, (B) entry by Guarantor or any Guarantor subsidiary into a joint venture, partnership or other business entity and (C) acquisition of property or any interests in property or any entity which owns property by Guarantor or any Guarantor subsidiary is all expressly permitted by the Lender without need for further consent from, or notice to, the Lender.

11. Enforcement Costs. Guarantor hereby agrees to pay, on written demand by Lender, all actual, out-of-pocket costs incurred by Lender in collecting any amount payable under this Guaranty or enforcing or protecting its rights under the Loan Documents, in each case whether or not legal proceedings are commenced (the "Enforcement Costs"). Such fees and expenses shall be in addition to the Guaranteed Obligation and shall include, without limitation, costs and expenses of outside counsel, paralegals and other hired professionals, special servicing fees (including portfolio management fees), court fees, costs incurred in connection with pre-trial, trial and appellate level proceedings (including discovery and expert witnesses), costs incurred in post-judgment collection efforts or in any Bankruptcy Proceeding to the extent such costs relate to the Guaranteed Obligation or the enforcement of this Guaranty. The Enforcement Costs incurred by Lender shall be immediately due and payable, and shall bear interest at the Default Rate from the date of disbursement until paid in full upon Lender's written demand for payment. This Section 11 shall survive the payment in full of the Guaranteed Obligation.

12. Set-Off Rights. Guarantor hereby grants to Lender a security interest in, and Lender is hereby authorized at any time and from time to time, without prior notice to Guarantor (any such notice hereby being expressly waived by Guarantor), to set off and apply, any and all accounts and deposits (general or special, time or demand, provisional or final) at any time held by Lender, if any, or any branch, subsidiary, or affiliate of Lender, if any, and all other indebtedness at any time owing by Lender or any branch, subsidiary, or affiliate of Lender, to or for the credit or the account of Guarantor (including all accounts held jointly with another, but excluding any IRA or Keogh accounts, or any trust accounts for which a security interest would be prohibited by law), against any and all of the obligations of Guarantor due and payable under this Guaranty. Such security interest may be enforced, and such right of setoff may be exercised, by Lender irrespective of whether or not Lender shall have made any demand under this Guaranty. Lender agrees promptly to notify a Guarantor after any such setoff and application, provided that the failure to give such notice shall not affect the validity or such setoff and application. The rights of Lender under this Section are in addition to other rights and remedies (including, without limitation, other rights of setoff) which Lender may have.

13. Guarantor Due Diligence and Benefit. Guarantor represents and warrants to the Lender that (a) the Loan and this Guaranty are for commercial purposes, (b) Guarantor has had adequate opportunity to review the Loan Documents, (c) Guarantor is fully aware of Obligations of Borrower thereunder and of the financial condition, assets and prospects of Borrower, and (d) Guarantor is executing and delivering this Guaranty based solely upon Guarantor's own independent investigation of the matters contemplated by clauses (a) through (c) of this Section and in no part upon any representation, warranty or statement of the Lender with respect thereto.

14. General. Guarantor represents and warrants to the Lender that:

(a) Authority. The Guarantor is a corporation duly organized and in good standing under the laws of the State of Maryland, has full power and authority to execute, deliver and perform the Obligations and has been duly authorized by all necessary corporate action to execute and deliver this Guaranty.

(b) Valid and Binding Obligation. This Guaranty constitutes Guarantor's legal, valid and binding obligation, enforceable against it in accordance with its terms, except to the extent enforceability may be limited under applicable bankruptcy and insolvency laws and similar laws affecting creditors' rights generally and to general principles of equity.

(c) No Conflict with Other Agreement. Guarantor's execution, delivery and performance of this Guaranty will not (i) result in the breach of, or conflict with, or result in the acceleration of, any obligation under any guaranty, indenture, credit facility or other instrument to which Guarantor, or any of its respective assets may be subject, or (ii) violate any order, judgment or decree to which Guarantor, or any of its respective assets are subject.

- (d) No Pending Litigation. To the best of Guarantor's knowledge no action, suit, proceeding or investigation, judicial, administrative or otherwise (including without limitation any reorganization, bankruptcy, insolvency or similar proceeding), currently is pending or threatened against it which, either in any one instance or in the aggregate, may have a material, adverse effect on its ability to perform its obligations under this Guaranty.

This Guaranty shall be binding on the Guarantor and the heirs, legatees, successors and assigns of the Guarantor. It is agreed that the liability of the Guarantor hereunder is several and independent of any other guarantees or other obligations at any time in effect with respect to the Obligations or any part thereof and that the liability of the Guarantor hereunder may be enforced regardless of the existence, validity, enforcement or non-enforcement of any such other guarantees or other obligations.

16. No Waiver of Rights. No delay or failure on the part of the Lender to exercise any right, power or privilege under this Guaranty or any of the other Loan Documents shall operate as a waiver thereof, and no single or partial exercise of any right, power or privilege shall preclude any other or further exercise thereof or the exercise of any other power or right, or be deemed to establish a custom or course of dealing or performance between the parties hereto. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in the same, similar or other circumstance.

17. Modification. The terms of this Guaranty may be waived, discharged, or terminated only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. No amendment, modification, waiver or other change of any of the terms of this Guaranty shall be effective without the prior written consent of the Lender.

18. Joinder. Any action to enforce this Guaranty may be brought against the Guarantor without any reimbursement or joinder of the Borrower or any other guarantor of the Obligations in such action.

19. Severability. If any provision of this Guaranty is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, the Guarantor and the Lender shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this Guaranty and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

20. Applicable Law. This Guaranty and all matters arising from this Guaranty including, but not limited to, provisions related to loan charges, are governed by federal law and, to the extent not preempted by federal law, by the substantive law of the State of Illinois.

21. Modification. This Guaranty shall not be modified, supplemented, or terminated, nor any provision hereof waived, except by a written instrument signed by the party against whom enforcement thereof is sought, and then only to the extent expressly set forth in such writing.

22. Duplicate Originals; Counterparts. This Guaranty may be executed in any number of duplicate originals, and each duplicate original shall be deemed to be an original. This Guaranty (and each duplicate original) also may be executed in any number of counterparts, each of which shall be deemed an original and all of which together constitute a fully executed Guaranty even though all signatures do not appear on the same document. Receipt of an executed signature page to this Guaranty by facsimile or other electronic transmission (including a .pdf file sent via electronic mail) shall constitute effective delivery thereof.

23. Recitals. The recital and introductory paragraphs hereof are a part hereof, form a basis for this Guaranty and shall be considered prima facie evidence of the facts and documents referred to therein.

24. Intentionally Omitted.

25. Reliance. The Lender would not make the Loan to the Borrower without this Guaranty. Accordingly, Guarantor intentionally and unconditionally enters into the covenants and agreements herein and understands that, in reliance upon and in consideration of such covenants and agreements, the Loan shall be made and, as part and parcel thereof, specific monetary and other obligations have been, are being and shall be entered into which would not be made or entered into but for such reliance.

26. Waiver of Bankruptcy Stay. Subject to all Applicable Law, Guarantor covenants and agrees that upon the commencement of a voluntary or involuntary Bankruptcy Proceeding by or against Guarantor, Guarantor shall not seek a supplemental stay or otherwise pursuant to 11 U.S.C. §105 or any other provision of the Bankruptcy Code or any other Debtor Relief Law, to stay, interdict, condition, reduce or inhibit the ability of the Lender to enforce any rights of the Lender against Guarantor by virtue of this Guaranty or otherwise.

“Tenant” shall mean a tenant under a Lease of space in the Property.

“Ten-Year Treasury Rate” means the published weekly average of yield on United States Treasury Notes adjusted to a constant maturity of ten (10) years for the most recent week available on the applicable adjustment date, as published and made available to the Federal Reserve Board pursuant to its Federal Reserve Statistical Release H. 15 (519).

- 1.3 Singular and Plural Terms. Any defined term used in the plural in any Loan Document shall refer to all members of the relevant class and any defined term used in the singular shall refer to any number of the members of the relevant class.
- 1.4 Accounting Principles. Any accounting term used and not specifically defined in any Loan Document shall be construed in conformity with, and all financial data required to be submitted under any Loan Document shall be prepared in conformity with, GAAP applied on a consistent basis or in accordance with such other principles or methods as are reasonably acceptable to Lender.
- 1.5 References and Other Terms. Any reference to any Loan Document or other document shall include such document both as originally executed and as it may from time to time be modified. References herein to Articles, Sections and Exhibits shall be construed as references to this Agreement unless a different document is named. References to subparagraphs shall be construed as references to the same Section in which the reference appears. The term “document” is used in its broadest sense and encompasses agreements, certificates, opinions, consents, instruments and other written material of every kind. The terms “including” and “include” mean “including (include) without limitation.”

2. THE LOAN; RESERVES.

- 2.1 Agreement to Borrow and Lend. Borrower agrees to borrow from Lender, and Lender agrees to lend to Borrower, an amount not to exceed the Loan Amount, on the terms of and subject to the conditions of this Agreement. The Loan is a revolving facility, and Borrower shall have the right to re-borrow any portion of the principal balance of the Loan repaid by Borrower.
- 2.2 Loan Advances Evidenced by Note. All disbursements hereunder shall be evidenced by the Note, which shall be executed and delivered by Borrower simultaneously with the execution of this Agreement.
- 2.3 Calculation of Interest. Interest shall be calculated in accordance with the terms of the Note.
- 2.4 Payments of Interest and Principal. Payments of principal and interest due under this Agreement shall be made in accordance with the terms of the Note.
- 2.5 Default Rate. Upon the occurrence of an Event of Default under this Agreement or any of the other Loan Documents, Lender, at its option, may, if permitted under Applicable Laws, do one or both of the following: (a) increase the rate of interest on the Principal Balance and any other amounts then owing by Borrower to Lender to the Default Rate until paid in full and (b) add any unpaid accrued interest to principal and such sum shall bear interest therefrom until paid in full at the Default Rate. Neither the Interest Rate nor the Default Rate shall exceed the maximum rate permitted by Applicable Laws under any circumstance.
- 2.6 Late Charge. If any payment under this Agreement or any other Loan Document is not made within five (5) days after such payment is due, then, in addition to the payment of the amount so due, Borrower shall pay to Lender a “late charge” equal to five percent (5.0%) of the amount of that payment. This late charge may be assessed without notice, shall be immediately due and payable and shall be in addition to all other rights and remedies available to Lender. The Borrower agrees that the damages to be sustained by the Lender for the detriment caused by any late payment are extremely difficult and impractical to ascertain, and that the amount of five cents for each one dollar due is a reasonable estimate of such damages, does not constitute interest, and is not a penalty.
- 2.7 Prepayment.
- (a) The Loan shall be prepayable only in accordance with the terms and conditions of the Note.
 - (b) Intentionally Omitted.
 - (c) Notwithstanding anything to the contrary herein or in any of the other Loan Documents, if, on the date which is two (2) years after the date of this Agreement (the “Loan Proceeds Reduction Date”), the Principal Balance is in excess of \$9,800,000.00, Borrower shall, within five (5) days after notice from Lender sent following the Loan Proceeds Reduction Date, make a payment to Lender or

authorize Lender to make a withdrawal from Borrower's account in an amount sufficient to reduce the Principal Balance to no more than \$9,800,000.00. Thereafter, the amount of Loan Proceeds shall not exceed \$9,800,000.00.

2.8 Intentionally Omitted.

2.9 Sanctions Laws and Regulations.

(a) Borrower shall not knowingly, directly or indirectly, use the proceeds of the Loan, or lend, contribute or otherwise make available such proceeds to any joint venture partner or other Person or entity (i) to fund any activities or business of or with any Designated Person, or in any Sanctioned Country, or (ii) in any other manner that would result in a violation of any Sanctions Laws and Regulations by any Party.

(b) None of the funds or assets of Borrower that are used to pay any amount due pursuant to this Agreement shall constitute funds obtained from transactions with or relating to Designated Persons or any Sanctioned Country.

2.10 Use of Proceeds.

(a) Loan Proceeds may be used for the following lawful purposes, (i) to satisfy costs related to the acquisition of self-storage properties by any Guarantor subsidiary, including, but not limited to earnest money deposits, environmental reports, property condition reports, appraisals, attorney fees (associated with such acquisitions), and acquisition price (collectively "Self-Storage Property Acquisition Costs"), (ii) to satisfy construction costs incurred to (A) convert non-self storage portions of the Property to self-storage, or (B) expand the Property (as further set forth in Section 11 below), provided, however, that Loan Proceeds used for construction costs as set forth in this subsection (ii) shall not exceed \$5,000,000.00 at any time, or (iii) to make equity contributions necessary to fulfill the co-invest requirements or pay organizational and transactional costs of any joint ventures entered into with respect to the acquisition of self-storage properties. Notwithstanding anything herein to the contrary, Loan Proceeds shall not be used to fund dividends, operating losses, stock buy-backs, executive or employee compensation, other capital maneuvers, or any other expenses not expressly permitted under this Section 2.10(a).

(b) Borrower shall not use, and shall ensure that Guarantor, and any Affiliate under Borrower's or Guarantor's Control, and their directors, officers, employees and agents as applicable, shall not use the Loan Proceeds (a) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (b) for the purpose of funding, financing or knowingly facilitating any activities, business or transactions of or with any Sanctioned Person, or in any Sanctioned Country, or (c) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

2.11 Distribution of Loan Proceeds. Notwithstanding anything to the contrary herein, Borrower may distribute Loan Proceeds to Guarantor in furtherance of the uses permitted under Section 2.10 above.

(a) Loan Fees. Origination Fee. On the Loan Closing Date, Borrower shall pay Lender a loan fee in the amount of \$75,000.00 which shall be fully earned and non-refundable.

(a) The representations and warranties contained in Section 5 of this Agreement are correct on and as of the Closing as though made on and as of such date;

(b) No Default has occurred and is continuing, and no Event of Default has occurred, hereunder, or would result from the execution and delivery of the Loan Documents;

(c) No litigation has been instituted against any Obligor or Constituent Entity which would be reasonably likely to have a material adverse effect on the condition (financial or otherwise) of such Constituent Entity's or such Guarantor's ability to perform its Obligations hereunder, under any of the Loan Documents;

(d) No material adverse change has occurred in the condition or operations, financial or otherwise, of the Borrower or any Guarantor since the date of the most recent financial statements of each such party delivered to Lender; and

3.3 Termination of Agreement. Borrower agrees that all conditions precedent to the Closing will be complied with on or prior to the Closing. If all of the conditions precedent to the Closing hereunder shall not have been performed on or before the Loan Closing Date, Lender, at its option at any time prior to the Closing, may terminate this Agreement and all of its obligations hereunder by giving a written notice of termination to Borrower.

4. DISBURSEMENTS.

4.1 Loan Disbursement. The Loan shall accrue interest under and be subject to the terms of the Note. Subject to the satisfaction of the terms and conditions contained in this Article 4, the Loan Proceeds, or so much thereof as may be approved by Lender, shall be disbursed upon satisfaction of each of the following conditions:

(a) Borrower shall request an Advance of all or a portion of the Loan Amount, if at all, at least ten (10) Business Day before the Business Day on which Borrower desires to receive an Advance of Loan Amount (the "Notice Date");

(b) Each request for Advance shall be made using the form attached hereto as Exhibit K (a "Disbursement Request"). Each Disbursement Request shall constitute a certification by Borrower that the representations and warranties of Borrower set forth in this Agreement and the other Loan Documents, are true, correct and complete in all material respects as of the date of such request and that Borrower has satisfied each of the conditions precedent to the Advance set forth in this Agreement and the other Loan Documents;

(c) No Event of Default exists as of the Notice Date or as of the date of disbursement of any portion of the Loan Amount;

(d) With respect to Loan Proceeds disbursed to Borrower for the purpose permitted in Section 2.10(a)(ii), in no event shall the aggregate amount of all Loan Proceeds previously disbursed to Borrower (less amounts repaid by Borrower) and the proposed Advance exceed the Property Improvement Limit, irrespective of any amounts repaid by Borrower;

(f) Borrower shall make no more than four (4) requests for disbursement of any portion of the Loan Amount in any given calendar month.

4.2 Expenses and Advances Secured by Mortgage. Any and all Advances or payments made by Lender hereunder, from time to time, and any amounts expended by Lender pursuant to this Agreement, together with reasonable attorneys' fees, if any, shall be deemed to have been disbursed as part of the Loan and be and become Obligations hereunder secured and guaranteed by the Loan Documents, whether or not the aggregate of such Obligations shall exceed the face amount of the Note. Lender shall promptly notify Borrower of all such attorney's fees, if any.

4.3 Acquiescence not a Waiver. To the extent that Lender may have acquiesced (whether intentionally or unintentionally) in the Borrower's failure to comply with and satisfy any condition precedent to the Closing or to any disbursement of Loan Proceeds, such acquiescence shall not constitute a waiver by Lender of any condition precedent set forth in this Agreement, and Lender at any time thereafter may require the Borrower to comply with and satisfy all conditions and requirements of this Agreement.

5. REPRESENTATIONS AND WARRANTIES. As a material inducement to Lender's entry into this Agreement, Borrower represents and warrants to Lender that:

5.1 Formation, Qualification and Compliance.

(a) Organization and Existence. Each Borrower is duly organized and validly existing as a limited liability company in good standing under the laws of the State of (i) New York, with respect to SSG Millbrook and SSG Clinton, and (ii) Delaware, with respect to SSG Fishers and SSG Lima, and is qualified to do business in the state of its formation and in all other jurisdictions in which such Borrower is transacting business, as applicable.

(b) Authorization. Borrower has the power and authority to execute, deliver and perform the obligations imposed on it under the Loan Documents and to consummate the transactions contemplated by the Loan Documents and has taken all necessary actions in furtherance thereof including, without limitation, that any Person whose approval is required by the terms of Borrower's organizational documents has duly approved the transactions contemplated by the Loan Documents and has authorized

execution and delivery thereof by the respective signatories. No other consent by any local, state or federal agency is required in connection with the execution and delivery of the Loan Documents. A true and complete organizational chart showing the ownership and U.S. employer tax identification number of Borrower is attached hereto as **Exhibit H**. Borrower is not a foreign corporation, foreign partnership, foreign trust, or foreign estate (as those terms are defined in the Code and Treasury Regulations).

(c) Valid Execution and Delivery. All of the Loan Documents requiring execution by Borrower have been duly and validly executed and delivered by Borrower.

(d) Enforceability. All of the Loan Documents constitute valid, legal and binding obligations of Borrower and are fully enforceable against Borrower in accordance with their terms, subject only to bankruptcy laws and general principles of equity.

5.2 Financial and Other Information. All financial information furnished to Lender with respect to Borrower and each Guarantor in connection with the Loan (a) is complete and correct in all material respects as of the date or dates indicated (or if no date or dates are indicated, then as of the date of delivery), (b) accurately presents the financial condition of Borrower and each Guarantor as of the date or dates indicated (or if no date or dates are indicated, then as of the date of delivery) and (c) has been prepared in accordance with GAAP consistently applied or in accordance with such other principles or methods as are reasonably acceptable to Lender; provided that, irrespective of any treatment accorded under GAAP consistently applied, all off-balance sheet transactions shall have been disclosed in writing and accompany such other financial information submitted in accordance with this Section 5.2. All other documents and information furnished to Lender with respect to Borrower and each Guarantor in connection with the Loan are correct in all material respects as of the date or dates indicated (or if no date or dates are indicated, then as of the date of delivery) and complete insofar as completeness is necessary to give Lender an accurate knowledge of their subject matter. Neither Borrower nor any Guarantor has any material liability or contingent liability not disclosed to Lender in writing and there is no material lien, claim, charge or other right of others of any kind (including liens or retained security titles of conditional vendors) on any property of any such Person not disclosed in such financial statements or otherwise disclosed to Lender in writing.

5.3 No Material Adverse Change. There has been no material adverse change in the condition, financial or otherwise, or the properties or businesses of Borrower or any Guarantor since the dates of the latest financial statements furnished to Lender. Since those dates, none of Borrower or any Guarantor has entered into any material transaction not disclosed in such financial statements or otherwise disclosed to Lender in writing. Further, there are no existing Defaults under any of the Loan Documents, nor do there exist any circumstances or conditions that with the passage of time or giving of notice or both would result in an Event of Default under any of the Loan Documents.

5.4 Tax Liability. Each of Borrower and each Guarantor has filed all required federal, state and local tax returns and has paid, prior to delinquency, all taxes payable by it (including interest and penalties, but subject to lawful extensions disclosed to Lender and Lender in writing) other than taxes being promptly and actively contested in good faith and by appropriate proceedings. Borrower agrees to maintain adequate funds for payment of tax liabilities (including contested liabilities) in accordance with GAAP or in accordance with such other principles or methods as are reasonably acceptable to Lender.

5.5 Usury. To Borrower's knowledge, the Loan, including interest rates, fees and charges as contemplated hereby, is an exempted transaction under the Truth In Lending Act, 12 U.S.C. §1601 et seq., and the Loan does not, and when disbursed will not, violate the provisions of the usury laws of the State of Illinois, State of New York, State of Connecticut, State of Indiana, or State of Ohio, or any consumer credit laws or the usury laws of any state which may have jurisdiction over this transaction, Borrower or any property securing the Loan.

5.6 Title to Property; Survey. At the Closing and at all times thereafter until the Loan is paid in full, Borrower will have, subject to the Permitted Encumbrances, good and merchantable fee simple title to the Property. Except for the current, non-delinquent taxes and assessments, if any, there are no taxes, assessments or liens pending or, to Borrower's knowledge, threatened against the Property for any present or past due taxes or for paving, sidewalk, curbing, sewer or any other street improvements of any kind. Except as otherwise provided in the property condition reports delivered to Lender, no portion of the Property is now damaged or injured as the result of any fire, explosion, accident, flood or other casualty, nor is any part of the Property subject to any pending or, to Borrower's knowledge, threatened eminent domain or condemnation proceeding. Except as disclosed by the Survey, the Property does not presently encroach upon any building line, set back line, sideyard line, or any recorded or visible easement (or other easement of which Borrower is aware or has reason to believe may exist) which exists with respect to the Property.

5.7 Utility Services. The Property is presently served by all utility and municipal services required for the construction, occupancy and operation of the Property, including, but not limited to, water supply, storm and sanitary sewage disposal systems, cable services, gas, electric and telephone facilities. The storm and sanitary

sewage disposal system, water system, drainage system and all mechanical systems of the Property comply with all Applicable Laws.

- 5.8 Leases. The rent roll provided to Lender by Borrower (the "Occupancy Report") is true, complete and correct in all material respects and the Property is not subject to any Leases other than the Leases described in the Occupancy Report. Except as set forth on the Occupancy Report: (i) each Lease is in full force and effect; (ii) the tenants under the Leases have accepted possession of and are in occupancy of all of their respective demised premises, have commenced the payment of rent under the Leases, and there are no offsets, claims or defenses to the enforcement thereof; (iii) all rents due and payable under the Leases have been paid and no portion thereof has been paid for any period more than thirty (30) days in advance, provided, however, and notwithstanding anything to the contrary herein or in the other Loan Documents, the Borrowers collectively, may collect Rents more than 30 days in advance in an aggregate amount not to exceed ten percent (10%) of all Rents collected in any particular year from the Property; (iv) the rent payable under each Lease is the amount of fixed rent set forth in the Occupancy Report, and there is no claim or basis for a claim by the tenant thereunder for an adjustment to the rent; (v) no tenant has made any claim against the landlord under any Lease which remains outstanding, and if decided against Borrower, would materially and adversely affect Borrower's ability to perform its obligations with respect to the Loan, there are no defaults on the part of the landlord under any Lease, and no event has occurred which, with the giving of notice or passage of time, or both, would constitute such a default; (vi) to Borrower's best knowledge, and except as disclosed in the Occupancy Report, there is no present default by the tenant under any Lease, and no events or circumstances exist which, with the passage of time or the giving of notice, or both, would constitute a default under a Lease, and enforcement of the Leases by Borrower or by Lender pursuant to an exercise of Lender's rights under the Assignment of Leases would be subject to no good faith defenses of any kind under local law; (vii) all security deposits under Leases are as set forth on the Occupancy Report and are held in compliance with Applicable Laws; (viii) Borrower is the sole owner of the entire lessor's interest in each Lease; (ix) each Lease is the valid, binding and enforceable obligation of the Borrower and the applicable tenant thereunder, and (x) no Person has any possessory interest in, or right to occupy, the Property except under the terms of the Leases. None of the Leases contains any option to purchase or right of first refusal to purchase the Property or any part thereof. Neither the Leases nor the rents have been assigned or pledged except to Lender, and no other Person has any interest therein except the tenants thereunder. For the purposes of Section 4.1(ii) herein, the representations contained in this Section shall be true, complete and correct in all material respects as of the date of the then most recent occupancy report delivered in accordance with Section 7.5(c) herein.

Without limiting the generality of subsection (iii) above, no Borrower shall be deemed to be in Default under this Agreement or any of the other Loan Documents if more than ten percent (10%) of Rents collected by such Borrower in any year are paid more than 30 days in advance by tenants, so long as not more than ten percent (10%) of the aggregate Rents collected by all Borrowers in such year are not paid more than 30 days in advance.

- 5.9 Rights of Others. Borrower is in compliance with all covenants, conditions, restrictions, easements, rights of way and other rights of third parties relating to the Property.

- 5.12 ERISA. Borrower is not and will not be an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA. Borrower is not and will not be a "governmental plan" within the meaning of Section 3(32) of ERISA. Neither Borrower, nor any member of a "controlled group of corporations" (within the meaning of Section 414 of the Code) maintains, sponsors or contributes to a "defined benefit plan" (within the meaning of Section 3(35) of ERISA) or a "multiemployer pension plan" (within the meaning of Section 3(37)(A) of ERISA).
- 5.13 No Prohibited Persons.

- (a) No part of the proceeds of the Loan will be used, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate

- (c) Neither Borrower nor any Guarantor has been convicted of a felony and, to the knowledge of Borrower and Guarantor, there are no proceedings or investigations being conducted involving criminal activities of either Borrower or Guarantor.

- 5.14 Foreign Person. Borrower is not a "foreign person" within the meaning of Section 1445(f)(3) of the Code.
- 5.15 No Defenses. This Agreement, the Note, the Mortgage and the other Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense, nor would the operation of any of the terms of this Agreement, the Note, the Mortgage or any of the other Loan Documents, or the exercise of any right thereunder, render this Agreement, the Note, the Mortgage or any of the other Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense, including the defense of usury.
- 5.16 Defense of Usury. Borrower knows of no facts that would support a claim of usury to defeat or avoid its obligation to repay the principal of, interest on, and other sums or amounts due and payable under, the Loan Documents.
- 5.17 No Conflict/Violation of Law. The execution, delivery and performance of the Loan Documents by Borrower will not cause or constitute a default under or conflict with the organizational documents of Borrower or, to Borrower's knowledge, any Guarantor or any Constituent Entity of either of them. The execution, delivery and performance of the obligations imposed on Borrower under the Loan Documents will not cause Borrower or, to Borrower's knowledge, any Guarantor or any Constituent Entity of either of them to be in default, including after due notice or lapse of time or both, under the provisions of any agreement, judgment or

order to which Borrower or any Guarantor or any Constituent Entity of either of them is a party or by which Borrower or any Guarantor or any Constituent Entity of either of them is bound.

- 5.18 Consents Obtained. All consents, approvals, authorizations, orders or filings with any court or governmental agency or body, if any, required for the execution, delivery and performance of the Loan Documents by Borrower have been obtained or made.
- 5.19 No Litigation. There are no pending actions, suits or proceedings, arbitrations or governmental investigations against the Property, Borrower, or to Borrower's knowledge, any Guarantor or any Constituent Entity of Borrower or any Guarantor, whether pursuant to the Loan Documents or otherwise, an adverse outcome of which would (after taking into account applicable insurance, if any, for which the applicable insurer has affirmatively confirmed coverage) materially and adversely affect Borrower's or any Guarantor's performance under this Agreement, the Note, the Mortgage or any of the other Loan Documents.
- 5.20 Fraudulent Conveyance. Borrower (i) has not entered into the Loan or any Loan Document with the actual intent to hinder, delay, or defraud any creditor and (ii) believes that it has received reasonably equivalent value in exchange for its obligations under the Loan Documents. Giving effect to the Loans contemplated by the Loan Documents, the fair saleable value of Borrower's assets exceed as of the date hereof and will, immediately following the execution and delivery of the Loan Documents, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of Borrower's assets as of the date hereof is and will, immediately following the execution and delivery of the Loan Documents, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. Borrower's assets as of the date hereof do not and, immediately following the execution and delivery of the Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including, without limitation, contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of Borrower).
- 5.21 Investment Company Act. Neither Borrower nor, to Borrower's knowledge, any Guarantor is now (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 2005, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow the Loan Amount.
- 5.22 Misstatements of Fact. To Borrower's knowledge, no certification, representation or statement of fact made in the Loan Documents contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no fact presently known to Borrower which has not been disclosed which adversely affects, or in the judgment of a reasonable Person might adversely affect, the business, operations or condition (financial or otherwise) of the representing party. Further, and in clarification of the foregoing, to Borrower's knowledge, all reports, certificates, affidavits, representations, statements and other data furnished by or on behalf of Borrower, Guarantor and each Constituent Entity of each of them to Lender, or their respective agents, in connection with the Loan are true and correct in all material respects and do not omit to state any fact or circumstance necessary to make the statements contained therein misleading.
- 5.23 Homestead. The Property forms no part of any property owned, used or claimed by Borrower as a residence or business homestead and is not exempt from forced sale under the laws of the state in which the Property is located. Borrower hereby disclaims and renounces each and every claim to all or any portion of the Property as a homestead.
- 5.24 Personal Property. Borrower is the owner, free and clear of all liens, of all Personal Property.
- 5.25 Single Asset Real Estate. Each Property constitutes a "single asset real estate" as defined in Section 101(51B) of the Bankruptcy Code.
- 5.26 Government Regulation. Borrower shall not (a) knowingly cause itself to be or become subject at any time to any law, regulation, or list of any Governmental Authority (including, without limitation, the OFAC list) that prohibits or limits the Lender from making any advance or extension of credit to Borrower or from otherwise conducting business with Borrower, or (b) fail (i) to provide documentary and other evidence of Borrower's identity or the identity of any direct or indirect beneficial owner or control person of the Borrower as may be reasonably requested by Lender at any time and from time to time to enable Lender to verify the identity of Borrower and any beneficial owner of Borrower, (ii) to comply with any Applicable Law or regulation, including, without limitation, Section 326 of the Patriot Act and 31 C.F.R. Section 1010.230.

5.27 Continuing Nature of Representations and Warranties. Borrower acknowledges, understands, and agrees that the representations and warranties set forth in this Section 5 shall be deemed to be continuing during all times when any or all of the Obligations remain outstanding.

6. MAINTENANCE, OPERATION, PRESERVATION AND REPAIR OF PROPERTY. Borrower shall maintain the Property (and all abutting grounds, sidewalks, roads, parking and landscape areas) in good condition and repair, shall operate the Property in a businesslike manner, shall prudently preserve and protect both its own and Lender's interests in connection with the Property, shall not commit or permit any waste or deterioration of the Property, shall not abandon any portion of the Property, and shall not otherwise act, or fail to act, in such a way as to unreasonably increase the risk of any damage to the Property or of any other impairment of Lender's interests under the Loan Documents. Without limiting the generality of the foregoing, and except as otherwise agreed by Lender in writing from time to time, Borrower shall promptly and faithfully perform and observe each of the following provisions:

6.1 Alterations and Repair. Except as otherwise provided herein, Borrower shall not remove, demolish or materially alter any Improvement, except to make non-structural repairs which preserve or increase the Property's value, and shall promptly restore, in a good and workmanlike manner, any Improvement (or other aspect or portion of the Property) that is damaged or destroyed from any cause.

6.2 Compliance. Borrower shall comply with all Applicable Laws and requirements of Governmental Authorities, and all rights of third parties, relating to Borrower, the Property or Borrower's business thereon.

6.3 Changes in Property Restrictions. Borrower shall not initiate, join in or consent to any change in any applicable zoning ordinance, general plan or similar law, or to any private restrictive covenant or any similar public or private restriction on the use of the Property, except with the prior written consent of Lender. Notwithstanding the foregoing, Borrower, without need for Lender's consent, shall have the right to apply for and pursue all permits, approvals, variances and consents ("Approvals") which may be needed from any Governmental Authority in connection with any Expansion Project.

7. OTHER AFFIRMATIVE COVENANTS. While any obligation of Borrower or Guarantor under the Loan Documents remains outstanding, the following provisions shall apply, except to the extent that Lender otherwise consents in writing:

7.1 Existence and Control. Each Borrower shall maintain its existence as a limited liability company in good standing under the laws of the State of (i) New York, with respect to SSG Millbrook and SSG Clinton, and (ii) Delaware, with respect to SSG Fishers and SSG Lima. Each Borrower shall at all times be qualified to do business in the State of (w) New York, with respect to SSG Millbrook, (x) Connecticut with respect to SSG Clinton, (y) Indiana, with respect to SSG Fishers, and (z) Ohio, with respect to SSG Lima, and in all other jurisdictions in which Borrower is transacting business, as applicable. At all times prior to the repayment of the Loan, Mark C. 7.2 Protection of Liens. Borrower shall maintain the lien of the Mortgage as a valid first priority lien on the Property, subject only to the Permitted Encumbrances, and take all actions, and execute and deliver to Lender all documents, reasonably required by Lender from time to time in connection therewith; and maintain the lien of the Loan Documents on the collateral described therein and take all actions, and execute and deliver to Lender all documents reasonably required by Lender from time to time in connection therewith, including supplemental security agreements, financing statements and other documents extending or perfecting Lender's security interests in such collateral as they exist from time to time.

(a) any litigation or claim affecting or relating to the Property and involving an amount in excess of \$50,000.00; and any litigation or claim that might subject Borrower or any Guarantor to liability in excess of \$50,000.00, whether covered by insurance or not;

(b) any dispute between Borrower and any Governmental Authority relating to the Property, the adverse determination of which might materially affect the Property, provided, however, Borrower's involvement in, and representation at, hearings to secure Approvals shall not be deemed disputes for purposes of this Section 7.3(b);

(c) any trade name hereafter used by Borrower and any change in Borrower's

principal place of business;

- (d) the creation or imposition of any mechanics' lien or other lien against the Property;
- (e) any Default or Event of Default under any Loan Document;
- (f) except as disclosed in the Environmental Audit, the presence of any Hazardous Substances on, under or about the Property; any enforcement, clean-up, removal or other action or requirement of any Governmental Authority relating to any such Hazardous Substances; and the existence of any occurrence or condition on any property in the vicinity of the Property that could cause the Property to be otherwise subject to any restrictions relating to Hazardous Substances; and/or
- (g) any material adverse change in the financial condition of Borrower or any Guarantor.

7.4 Further Assurances. Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under the Loan Documents, to protect and further the validity, priority and enforceability of the Loan Documents, to subject to the Loan Documents any property intended by the terms of any Loan Document to be covered by the Loan Documents, to correct clerical errors herein and in the Loan Documents or otherwise to carry out the purposes of the Loan Documents and the transactions contemplated hereunder and thereunder.

7.11 Intentionally Omitted.

7.12 Taxes.

(a) Borrower’s Obligation for Payment of Taxes. Borrower shall pay or cause to be paid all Taxes when due and payable, and before any penalty attaches. Borrower shall deliver promptly to Lender receipts or other reasonable evidence evidencing such payment (and, subject to Section 7.12(b) such evidence shall be furnished no later than the date that Taxes would otherwise be delinquent). Borrower shall not suffer, permit, initiate, or otherwise cause for any purpose, the joint assessment of (i) the Property with any other real property, or (ii) the Property and the Personal Property, or any other procedure whereby the lien of real property taxes and assessments and the lien of personal property taxes shall be assessed, levied or charged against the Land as a single lien. While any Obligations remain outstanding, the Property shall be segregated on the applicable tax rolls from all other property, both real and personal. Borrower’s obligations under this Section 7.12 shall not be affected by any damage to, defects in or destruction of the Property or any other event, including obsolescence of all or any part of the Property.

(b) Contest of Taxes. Without need for providing notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes, provided that (i) no Event of Default is continuing; and (ii) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, cancelled or lost so long as the contest is being pursued. Notwithstanding the foregoing to the contrary, in the event an Event of Default is continuing, and Borrower desires to contest Taxes pursuant to this Section 7.12(b), borrower shall provide prior notice to Lender of such contest, and shall proceed only upon receipt of Lender’s approval, which shall not be unreasonably withheld, conditioned or delayed.

(c) Effect of Change in Law. If at any time any law is enacted which deducts from the value of real property, for taxation purposes, any lien thereon, or changes in any way the laws now in force for the taxation of mortgages, deeds of trust or debts secured thereby, or the manner of collection of any such taxes so as to affect any interest of Lender hereunder then Borrower shall pay such tax if it may lawfully do so. If Borrower is not permitted by Applicable Laws to pay such tax, or if Borrower is not permitted by Applicable Laws to immediately reimburse Lender for any such payment, then the Obligations, at the option of Lender, upon not less than the lesser of (i) thirty (30) days written notice, or (ii) such shorter period as may be required to ensure compliance by Lender with Applicable Laws, shall become due and payable.

(d) Change in Tax Laws. If, by the laws of the United States of America, or of any state or municipality having jurisdiction over the Lender, the Borrower or the Property, any tax is imposed or becomes due in respect of the Note or the Mortgage (excluding income, excise or franchise taxes imposed upon the Lender, except as levied against the income of Lender as a complete or partial substitute for Taxes to be paid by Borrower hereunder), or any liens on the Property created thereby, then the Borrower shall pay such tax in the manner required by such law.

Borrower shall provide to Lender written evidence of the payment of all real estate taxes on or before such taxes become delinquent, subject to Section 7.12(b). Notwithstanding anything to the contrary herein, Borrower shall not be deemed to be in Default under this Agreement or have committed an Event of Default if, within 30 days after Borrower becomes aware of the filing of any mechanic's or materialmen's lien against the Property, Borrower pays, bonds or otherwise discharges such lien.

- 8.4 Organizational Documents. - 8.8 Distributions. If any time prior to the payment of the Loan in full an Event of Default has occurred Borrower shall not directly or indirectly make any distributions, loans, repayment of member or Affiliate loans, returns of capital contributions, payment of developer, management or other fees, or any other payments to its members or Affiliates, whether or not such payment is required or permitted pursuant to the terms of Borrower's organizational documents. Borrower shall not make any distribution or payment to any of its members at any time which would cause the Loan to qualify as a HVCRE exposure.
- 8.8 Guarantor's Financial Covenants. Borrower shall not permit the violation by Guarantor of any of the Guarantor's Financial Covenants.
- 8.9 Debt Service Coverage Ratio. Borrower shall be required to maintain a Debt Service Coverage Ratio of not less than 1.35 to 1.00, as determined by Lender based on trailing twelve (12)-month NOI and Applied Debt Service. The Debt Service Coverage Ratio shall be calculated semi-annually on June 30th and December 31st of each calendar year of the Term.
- 8.10 Leasing.

- (d) Except for advance rental arrangements in effect prior to the date hereof, Borrower shall not collect any of the Rents assigned hereunder more than thirty (30) days in advance of the time when the same shall become due and payable, except for (i) the first month’s Rent due and payable under the execution of the applicable Lease, (ii) security or similar deposits, and (iii) Borrower may collect advance Rents in an amount not to exceed ten percent (10%) of all Rent collected in that year.

- (g) Borrower shall not waive or excuse the obligation to pay Rent under any Lease, other than in the ordinary course of Borrower’s business.
- (h) Borrower shall, at its sole cost and expense, appear in and defend any and all actions and proceedings arising under, relating to or in any manner connected with any Lease or the obligations, duties or liabilities of the lessor or any tenant or guarantor thereunder, and shall pay all actual costs and expenses of the Lender, including court costs and reasonable attorneys’ fees, in any such action or proceeding in which the Lender may appear.
- (i) Borrower shall give prompt notice to the Lender of any notice of any material default by the lessor under any Lease received from any tenant or guarantor thereunder.
- (j) Borrower shall enforce the observance and performance of each material covenant, term, condition and agreement contained in each Lease to be observed and performed by the tenants and guarantors thereunder.
- (k) Borrower shall not permit any of the Leases to become subordinate to any lien or liens other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent.
- (l) Not later than ten (10) days after the Lender’s written request, Borrower shall deliver to Lender a certified occupancy report for the Property as of the last day of the most recently ended calendar quarter in a form reasonably satisfactory to Lender. The foregoing obligation shall be in addition to any obligations of Borrower set forth in the Loan Agreement.

8.11 Intentionally Omitted.

8.12 Updated Appraisals. Borrower agrees that Lender shall have the right to obtain an updated Appraisal of the Property from an appraiser approved by Lender at any time (a) that an Event of Default shall have occurred hereunder, (b) an Appraisal is required by then current banking regulations applicable to Lender, or (c) Lender determines in good faith that the security for the Loan has been physically or financially impaired in any material manner, and any such Appraisals shall be at Borrower’s expense; provided that Borrower shall not be required to pay for more than one Appraisal per calendar year except upon the occurrence and during the continuance of an Event of Default. In the event that Lender shall elect to obtain such an Appraisal, Lender may immediately commission an appraiser acceptable to Lender to prepare such Appraisal and Borrower shall fully cooperate with Lender and the appraiser in obtaining the necessary information to prepare such Appraisal. In the

event that Borrower fails to cooperate with Lender in obtaining such an Appraisal or in the event that Borrower shall fail to pay for the cost of such Appraisal immediately upon demand, such event shall constitute an Event of Default hereunder and Lender shall be entitled to exercise all remedies available to it hereunder.

9. **INSURANCE, CASUALTY AND CONDEMNATION.**

9.1 **Insurance Coverage.** For so long as the Mortgage is in effect, Borrower shall continuously maintain insurance in accordance with the following provisions:

- (a) At its own cost, Borrower shall obtain and maintain at all times during the term of the Loan the Policies required by Lender pursuant to **Exhibit D** attached hereto. Borrower shall provide Lender with evidence of all such insurance required hereunder.
- (b) The Policies to be obtained and maintained by Borrower under the provisions of this Agreement shall be issued by responsible insurance carriers with an A.M. Best's rating of no less than A/VII, licensed to do business in the State of Illinois, who are acceptable to Lender and shall be in such form and with such endorsements, waivers and deductibles (in no event to exceed \$25,000.00 per occurrence) as Lender shall designate or approve. Without limitation on the foregoing:
 - (i) All Policies shall name Borrower as the insured. The Policies shall each list Lender as mortgagee, lender loss payable and as an additional insured (under a standard non-contributing mortgagee protection clause, in form reasonably satisfactory to Lender, attached to such Policy or Policies whenever applicable, and providing, among other matters, that all Insurance Proceeds (as hereinafter defined) shall be paid to Lender). The liability insurance Policies shall list Lender as an additional insured.
 - (ii) All Policies shall contain: (1) the agreement of the insurer to give Lender at least thirty (30) days' written notice prior to cancellation or expiration of or change in such Policies, or any of them (notwithstanding anything to the contrary herein, including in Section 4 of the Standard Insurance Guidelines attached hereto as Exhibit D, except in the event of non-payment, which shall require a 10 day advance notice as required by applicable statute); (2) a waiver of subrogation rights against Lender and, if available Borrower; (3) an agreement that such Policies are primary and non-contributing with any insurance that may be carried by Lender; (4) a statement that the insurance shall not be invalidated should any insured waive, prior to a loss, any or all right of recovery against any party for loss accruing to the property described in the Policy; and (5) if obtainable, a provision that no act or omission of Borrower shall affect or limit the obligation of the insurance carrier to pay the amount of any loss sustained. As of the date hereof, and subject to any changes in such requirements which Lender may, in its discretion, make from time to time pursuant to its rights under this **Section 9.1**, each Policy of property insurance hereunder shall contain a lender's loss payable endorsement, lender clause, or other non-contributory mortgagee clause of similar form and substance acceptable to Lender in favor of Lender as a mortgagee.
- (c) Concurrently herewith, Borrower shall deliver to Lender original Policies or certificates with premiums for the Policies ("**Premiums**") prepaid evidencing the insurance required hereunder. Borrower shall procure and pay for renewals of such insurance (or shall cause the procurement and payment) from time to time before the expiration thereof, and Borrower shall deliver to Lender such original renewal Policies or certificates with Premiums prepaid at least thirty (30) days before the expiration of any existing Policy.
- (d) Borrower may carry additional, separate insurance concurrent in kind or form or contributing upon loss, with any required insurance Policies, but only if the additional, separate insurance:
 - (i) does not violate any required insurance, or entitle the carrier to assert any defense or disclaim any primary coverage under any required insurance;
 - (ii) mutually benefits Borrower and Lender; and
 - (iii) does not violate this Agreement.
- (e) Borrower, for itself, and on behalf of its insurers, hereby releases and waives any right to recover against Lender on any liability for: damages for injury to or death of persons; any loss or

damage to property, including the property of any occupant of the Property; any loss or damage to buildings or other improvements comprising the Property; any other direct or indirect loss or damage caused by fire or other risks, which loss or damage is or would be covered by the insurance required to be carried hereunder by Borrower, or is otherwise insured; or claims arising by reason of any of the foregoing, except to the extent caused solely by the gross negligence or willful misconduct of Lender.

- (f) Lender shall not, by reason of accepting, rejecting, obtaining or failing to obtain insurance, incur any liability for (i) the existence, non-existence, form, amount or legal sufficiency thereof, (ii) the solvency or insolvency of any insurer, or (iii) the payment of losses. All insurance required hereunder or carried by Borrower shall be procured at Borrower's sole cost and expense. Borrower shall deliver to Lender receipts satisfactory to Lender evidencing full prepayment of the Premiums therefor (for the periods and payments so covered by such payments). In the event of foreclosure on, or other transfer of title in lieu of foreclosure of, the Property, all of Borrower's interest in and to any and all Policies in force shall pass to Lender, or the transferee or purchaser as the case may be, and Lender is hereby irrevocably authorized to assign in Borrower's name to such purchaser or transferee all such Policies, which may be amended or rewritten to show the interest of such purchaser or transferee.
- (g) Intentionally Omitted.
- (h) Lender, in its reasonable discretion, reserves the right to require additional insurance Policies not specifically addressed in this Agreement during the term of the Loan.
- (i) The Policies set forth on **Exhibit D** shall be standard ISO or equivalent coverage forms. Manuscripted coverage forms may be deemed acceptable following satisfactory review by Lender's insurance advisors.
- (j) Approval by the Lender of any Policies shall not be deemed a representation by the Lender as to the adequacy of coverage of such Policies or the solvency of the insurer.

9.2

Casualty Loss; Proceeds of Insurance.

- (a) The Borrower will give the Lender prompt written notice of any loss or damage to the Property, or any part thereof, by fire or other casualty.
- (b) In case of loss or damage covered by any one of the Policies in excess of \$400,000.00 (the "Insurance Threshold"), the Lender is hereby authorized to settle and adjust any claim under such Policies (and after the entry of a decree of foreclosure, or a sale or transfer pursuant thereto or in lieu thereof, the decree creditor or such purchaser or transferee, as the case may be, are hereby authorized to settle and adjust any claim under such Policies) upon consultation with, but without requiring the consent of, the Borrower; and the Lender shall, and is hereby authorized to, collect and receipt for any and all proceeds payable under such Policies in connection with any such loss (collectively, the "Insurance Proceeds"). Borrower hereby irrevocably appoints Lender as its attorney-in-fact for the purposes set forth in the preceding sentence. Each insurance company is hereby authorized and directed to make payment (i) of 100% of all such losses (if such loss exceeds the Insurance Threshold) directly to Lender alone, and (ii) of 100% of all such losses (if such loss is less than or equal to the Insurance Threshold) directly to Borrower alone, and in no case to Borrower and Lender jointly. All reasonable costs and expenses incurred by the Lender in the adjustment and collection of any such Insurance Proceeds (including without limitation reasonable attorneys' fees and expenses) shall be additional Obligations, and shall be reimbursed to the Lender upon demand or may be paid and deducted by the Lender from such Insurance Proceeds prior to any other application thereof. Lender shall not be responsible for any failure to collect any Insurance Proceeds due under the terms of any policy regardless of the cause of such failure, other than the gross negligence or willful misconduct of Lender.
- (c) Insurance Proceeds received by the Lender under the provisions of this Agreement or any instrument supplemental hereto or any Policy or Policies covering any Improvements or any part thereof shall be applied by the Lender at its option as and for a prepayment on the Note, without a prepayment fee (whether or not the same is then due or otherwise adequately secured), or shall be disbursed for restoration of such Improvements ("Restoration"), in which event the Lender shall not be obligated to supervise Restoration work nor shall the amount so released or used be deemed a payment of the Obligations evidenced by the Note. If Lender elects to permit the use of Insurance Proceeds to restore such Improvements it may do all necessary acts to accomplish that purpose, including advancing additional funds and all such additional funds shall constitute part of the Obligations. If Lender elects to make the Insurance Proceeds available to Borrower for the purpose of effecting the Restoration, any excess of Insurance Proceeds above the amount necessary to complete the Restoration shall be applied as and for a

prepayment on the Note, without a prepayment fee or premium. No interest shall be payable to Borrower upon Insurance Proceeds held by Lender.

- (d) So long as any Obligations shall be outstanding and unpaid, and whether or not Insurance Proceeds are available or sufficient therefor, the Borrower shall promptly commence and complete, or cause to be commenced and completed, with all reasonable diligence, the Restoration of the Property as nearly as possible to the same value, condition and character which existed immediately prior to such loss or damage in accordance with the Restoration Plans and in compliance with all legal requirements and if applicable, the requirements of all Leases. Any Restoration shall be effected in accordance with procedures to be first submitted to and approved by the Lender in accordance with Section 9.4 hereof. The Borrower shall pay all costs of such Restoration to the extent Insurance Proceeds are not made available or are insufficient.

9.3 Condemnation and Eminent Domain.

- (a) Any and all awards (the "Awards") in excess of \$400,000.00 heretofore or hereafter made or to be made to the Borrower (or any subsequent owner of the Property, or any part thereof) by any governmental or other lawful authority for the taking, by condemnation or eminent domain, of all or any part of the Property (including any award from the United States government at any time after the allowance of a claim therefor, the ascertainment of the amount thereto, and the issuance of a warrant for payment thereof), are hereby assigned by the Borrower to the Lender, which Awards the Lender is hereby authorized to collect and receive from the condemnation authorities, and the Lender is hereby authorized to appear in and prosecute, in the name of and on behalf of the Borrower, any action or proceeding to enforce any such cause of action in which an award in excess of \$400,000.00 is sought and to make any compromise or settlement in connection therewith and to give appropriate receipts and acquittance therefor in the name and in behalf of the Borrower. The Borrower shall give the Lender immediate notice of the actual or threatened commencement of any condemnation or eminent domain proceedings affecting all or any part of the Property after Borrower has knowledge of same and shall deliver to the Lender copies of any and all papers served in connection with any such proceedings. All reasonable costs and expenses incurred by the Lender in the adjustment and collection of any such Awards (including without limitation reasonable attorneys' fees and expenses) shall be additional Obligations, and shall be reimbursed with interest thereon to the Lender from any Award prior to any other application thereof. The Borrower further agrees to make, execute and deliver to the Lender, at any time upon request, free, clear, and discharged of any encumbrance of any kind whatsoever (other than Permitted Encumbrances), any and all further assignments and other instruments deemed necessary by the Lender for the purpose of validly and sufficiently assigning all Awards in excess of \$400,000.00 and other compensation heretofore and hereafter made to the Borrower for any permanent taking, under any such proceeding.

- (b) The proceeds of any Award received by the Lender under the provisions of this Agreement or any instrument supplemental hereto shall be applied by the Lender at its option as and for a prepayment of the Obligations, without a prepayment fee (whether or not the same is then due or otherwise adequately secured), or shall be disbursed for Restoration of the Property or any portion thereof, in which event the Lender shall not be obligated to supervise Restoration work nor shall the amount so released or used be deemed a payment of the Obligations. If Lender elects to permit the use of the proceeds of an Award to restore the Property or any portion thereof, it may do all necessary acts to accomplish that purpose, including advancing additional funds, all such additional funds to constitute part of the Obligations. If Lender elects to make the proceeds of an Award available to Borrower for the purpose of effecting the Restoration, or, following an Event of Default, elects to restore such Improvements, any excess of such proceeds above the amount necessary to complete the Restoration shall be applied as and for a prepayment of the Obligations, without a prepayment fee or premium. No interest shall be payable to Borrower upon such proceeds held by Lender.

- (c) Intentionally Omitted.

- (d) So long as any Obligations shall be outstanding and unpaid, and whether or not Awards are available or sufficient therefor, the Borrower shall promptly commence and complete, or cause to be commenced and completed, with all reasonable diligence the Restoration of the portion of the Property not so taken as nearly as possible to the same value, condition and character, which existed immediately prior to such taking in compliance with all legal requirements. Any Restoration of the Property involving costs in excess of \$400,000.00 shall be effected in accordance with Restoration Plans to be first submitted to and approved by the Lender as provided in Section 9.4(c) hereof. The Borrower shall pay all costs of such Restoration to the extent the Award is not made available or is insufficient.

9.4 Disbursement of Insurance Proceeds and Awards.

- (a) All Insurance Proceeds and/or Awards received by the Lender as provided in Section 9.2 or Section 9.3 hereof shall, after payment or reimbursement therefrom of all reasonable costs and expenses (including without limitation reasonable attorneys' fees and expenses) incurred by the Lender in the adjustment and collection thereof (collectively, the "Net Insurance Proceeds"), shall be deposited with the Lender, or such other depository as may be designated by the Lender, and applied as provided in this Section.
- (b) All Net Insurance Proceeds which are not applied to the payment of the Obligations shall be applied to fund the payment of the costs, fees and expenses incurred for the Restoration of the Property as required under Section 9.2 or Section 9.3 hereof and such Net Insurance Proceeds shall be disbursed through the title company which has insured the lien of the Mortgage to complete the Restoration; provided that the Lender shall receive the following:
- (i) Restoration Plans (unless the costs involved in such Restoration shall not exceed \$400,000.00), which shall be subject to the reasonable approval of the Lender prior to the commencement of the Restoration.
- (ii) Such architect's and engineer's certificates, waivers or releases of lien, contractor's sworn statements, payment and performance bonds (if applicable), title insurance endorsements, plats of survey, opinions of counsel and such other evidences of cost, payment and performance as the Lender may reasonably require and approve.
- (c) Subject to availability of Approvals, weather-related delays, or other matters beyond Borrower's reasonable control, if the Borrower shall fail to commence Restoration within thirty (30) days after the final settlement of the claim involving loss or damage to the Property, and diligently proceed to complete Restoration in accordance with the Restoration Plans and all Applicable Laws, or if any other Event of Default shall occur hereunder at any time (whether before or after the commencement of such Restoration), all or any portion of the Obligations may be declared to be immediately due and payable and such Net Insurance Proceeds, or any portion thereof, then held, or subsequently received, by the Lender or other depository hereunder may be applied, at the option and in the sole discretion of the Lender, to the payment or prepayment of the Obligations in whole or in part, or to the payment and performance of such obligations of the Borrower as may then be in default hereunder.
- (d) Any surplus which may remain out of such Net Insurance Proceeds after payment of all costs, fees and expenses of such Restoration shall be applied to prepayment of the Obligations, without the payment of a prepayment fee or prepayment premium.

10. **DEFAULTS AND REMEDIES.**

10.1 Events of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" as said term is used herein, and any Event of Default which may occur hereunder shall constitute an Event of Default under each of the other Loan Documents:

- (a) Borrower fails to pay (i) any scheduled installment of principal or interest payable pursuant to the terms of the Note within ten (10) days after the date when due, (ii) any final payment of all principal, interest, late fees and other costs due at maturity of the Loan, whether the Loan is due because of a Maturity Date or due as the result of any acceleration of maturity pursuant to the terms of this Agreement, or (iii) any other amount payable to Lender under the Note, this Agreement, the Mortgage or any of the other Loan Documents within five (5) days after written notice from Lender; or, if another period is specified in any such Loan Document, the period specified therein; or
- (b) Borrower fails to perform or cause to be performed, within all applicable notice and cure periods, any other obligation or observe any other condition, covenant, term, agreement or provision required to be performed or observed by Borrower under the Note, this Agreement, the Mortgage or any of the other Loan Documents and not specifically described in this Section 10.1 or in the Default section of any other Loan Document; provided, however, that if such failure by its nature can be cured, then so long as the continued operation, safety and value of the Property, and the priority, validity and enforceability of the liens created by the Mortgage or any of the other Loan Documents, are not impaired, threatened or jeopardized, then Borrower shall have a period (the "Cure Period") of thirty (30) days after Borrower obtains actual knowledge of such failure or receives written notice of such failure to cure the same and an Event of Default shall not be deemed to exist during the Cure Period; provided further that if such failure by its nature can be cured but cannot be cured by the payment of money and Borrower commences to cure such failure during the Cure Period and is diligently and in good faith attempting to effect such cure, the Cure Period shall be extended for thirty (30) additional days, but in no event shall the Cure Period be longer than sixty (60) days in the aggregate; or

- (c) The existence of any inaccuracy or untruth in any material respect in any certification, representation or warranty contained in this Agreement or any of the other Loan Documents or of any statement or certification as to facts delivered to the Lender by the Borrower or any Guarantor; or
- (d) Borrower or any Guarantor is dissolved, liquidated or terminated, or all or substantially all of the assets of Borrower or any Guarantor are sold or otherwise transferred without Lender's prior written consent; or
- (e) Borrower or Guarantor is the subject of an order for relief by a bankruptcy court, or is unable or admits its inability (whether through repudiation or otherwise) to pay its debts as they mature, or makes an assignment for the benefit of creditors; or Borrower or any Guarantor applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or any part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of Borrower, Manager or any Guarantor, as the case may be, and the appointment continues undischarged or unstayed for sixty (60) days; or Borrower or any Guarantor institutes or consents to any bankruptcy, insolvency, reorganization, dissolution, custodianship, conservatorship, liquidation or similar proceeding relating to it or any part of its property; or any similar proceeding is instituted without the consent of Borrower or any Guarantor, as the case may be, and continues undismissed or unstayed for sixty (60) days; or any judgment, writ, warrant of attachment or execution, or similar process is issued or levied against any property of Borrower or any Guarantor and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or
- (f) Any Guaranty is repudiated, revoked or terminated in whole or in part without Lender's prior written consent; or any Guarantor claims that his, her or its Guaranty is ineffective or unenforceable, in whole or in part and for any reason, with respect to amounts then outstanding or amounts that might in the future be outstanding; or
- (g) Intentionally Omitted; or
- (h) The occurrence of a Prohibited Transfer (as defined in the Mortgage);
- (i) At Lender's option in its sole and absolute discretion, the institution of foreclosure proceedings that are not dismissed, discharged, paid or bonded within thirty (30) days with respect to any mechanic's lien or any other lien secured by an interest in the Property;
- (j) The withdrawal or removal of Winmill as Manager, provided, however, Borrower shall not be deemed to have committed an Event of Default if, within 60 days following the death, incapacity, retirement or removal of Winmill, Winmill is replaced, subject to Lender's approval, which shall not be unreasonably withheld, conditioned or delayed, provided further, however, that so long as Winmill continues to act as Manager, Borrower may replace O'Malley as Manager, and add additional Managers, without Lender's approval; or
- (k) Borrower is enjoined or otherwise prohibited by any Governmental Authority from occupying and operating the Property and such injunction or prohibition continues unstayed for thirty (30) days or more for any reason; or
- (l) Any material provision of this Agreement or the other Loan Documents shall at any time for any reason cease to be valid and binding on the Borrower, or shall be declared to be null and void, or the validity or enforceability thereof shall be successfully contested by any Governmental Authority, or Borrower shall deny that it has any or further liability or obligation under this Agreement or any of the other Loan Documents; or
- (m) Any default which persists beyond all applicable notice and cure periods by the Borrower or any Guarantor in any payment of principal or interest due and owing upon any other Indebtedness of the Borrower for borrowed money beyond any period of grace provided with respect thereto or in the performance of any other agreement, term or condition contained in any agreement under which such obligation is created, if the effect of such default is to accelerate the maturity of such Indebtedness or to permit the holder thereof to cause such Indebtedness to become due prior to its stated maturity; or

- (n) Any Guarantor fails to perform any obligation (following all applicable notice and cure periods) required to be performed by Guarantor under the Guaranty; or
- (o) All or any material portion of the Property is condemned, seized or appropriated by a Governmental Authority in a manner which materially and adversely affects the Property or Borrower's ability to operate the Property; or
- (p) The Property is materially damaged or destroyed by fire or other casualty unless Borrower establishes within ninety (90) days after such casualty its qualification under Section 9.2(d) of this Agreement to use any available Insurance Proceeds to restore the Property and thereafter diligently restores the Property in accordance with this Agreement and the Mortgage, subject to Borrower's receipt of all permits and approvals required in connection with such Restoration; or
- (q) The existence of any fraud, dishonesty or bad faith by or with the acquiescence of Borrower or any Guarantor which in any way relates to or affects the Loan or the Property; or
- (r) The occurrence of any event specifically identified as an Event of Default in any other section of this Agreement or in any other Loan Document; or
- (s) Borrower or any Guarantor shall have a final, non-appealable judgment entered against it, him or her in excess of One Hundred Thousand Dollars (\$100,000.00) as to the Borrower and Two Hundred Fifty Thousand Dollars (\$250,000.00) as to any Guarantor in any civil, administrative or other proceeding, which judgment is not fully covered by insurance, and such judgment remains unpaid, unvacated, unbonded or unstayed by appeal or otherwise for a period of thirty (30) days from the date of its entry; or
- (t) The occurrence of an uncured default under any Lender Swap Agreement (if applicable); or
- (u) The occurrence of a breach of the Debt Service Coverage Ratio requirements, provided, however, that Borrower shall have a period of thirty (30) days after receiving notice of such breach from Lender to cure the breach by (i) agreeing to reduce the Loan Amount to an amount necessary to bring the Loan into compliance with the requirements of Section 8.9 hereof, or (ii) depositing with Lender the amount necessary to bring the Loan into compliance with the requirements of Section 8.9 hereof, such deposit to be released by Lender after the next successful semi-annual test, or earlier, in Lender's sole discretion; or
- (v) The failure to deliver any of the financial statements, Borrower Compliance Certificate, or Guarantor Compliance Certificates when due pursuant to Section 7.5 of this Agreement; or
- (w) The occurrence of a default under Sections 7.7, 9.1(a) and 9.1(b).

10.2 Remedies Upon Default. Upon the occurrence of any Event of Default, Lender shall take such action or actions as Lender may direct, at Lender's option and in its absolute discretion, including, but not limited to, any or all of the following actions:

- (a) Terminate any obligation or responsibility on the part of Lender to make further advances of Loan Proceeds or of any other amounts held by Lender and constituting security for the Obligations pursuant to this Agreement or any other Loan Document;
- (b) Declare the outstanding principal balance of the Loan, together with all accrued interest thereon and other amounts owing in connection therewith, to be immediately due and payable in full, regardless of any other specified due date, and in the event of the occurrence of an Event of Default under Section 10.1(e) such principal and interest shall become immediately due automatically; and/or
- (c) Exercise any of its rights under the Loan Documents and any rights provided by Applicable Laws, including the right to foreclose on any security and exercise any other rights with respect to any security, all in such order and manner as Lender elects in its absolute discretion.

10.3 Cumulative Remedies, No Waiver. Lender's rights and remedies under the Loan Documents are cumulative and in addition to all rights and remedies provided by Applicable Laws from time to time. The exercise or direction to exercise by Lender of any right or remedy shall not constitute a cure or waiver of any default, nor invalidate any notice of default or any act done pursuant to any such notice, nor prejudice Lender in the exercise of any other right or remedy. No waiver of any default shall be implied from any omission by Lender to take action on account of such default if such default persists or is repeated. No waiver of any default shall affect any default other than the default expressly waived, and any such waiver shall be operative only for the time and to the extent stated. No waiver of any provision of any Loan Document shall be construed as a waiver of any subsequent breach of the same provision. The consent by Lender to any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary Lender's consent to or approval of any subsequent act. Lender's acceptance of the late performance of any obligation shall not constitute a waiver by Lender of the right to require prompt performance of all further obligations; Lender's acceptance of any performance following the sending or filing of any notice of default shall not constitute a waiver of Lender's right to proceed with the exercise of remedies for any unfulfilled obligations; and Lender's acceptance of any partial performance shall not constitute a waiver by Lender of any rights relating to the unfulfilled portion of the applicable obligation.

11. **EXPANSION PROJECTS; OTHER AGREEMENTS.**

- (a) Notwithstanding anything herein to the contrary, Borrower shall have the right to use Loan Proceeds, up to but not exceeding the Property Improvement Limit, for the expansion of any one or more Property or conversion of non-self storage portions of any Property to self storage (each, an "Expansion Project"). No Expansion Project will require any notice to, or approval from, Lender. In the event that Borrower undertakes any Expansion Project, Borrower shall cause all Expansion Project work to be completed in a good, workmanlike, and lien-free manner, using commercial-grade materials, in compliance with all Applicable Laws.
- (b) Notwithstanding anything herein or in the other Loan Documents to the contrary, each Borrower and Guarantor shall have the right, without need for Lender's approval, to enter into or modify any agreements with subsidiaries or affiliates of any Borrower or Guarantor in connection with, without limitation, expense sharing, taxable REIT subsidiaries or trademark licensing.
- (c) Each Borrower and Guarantor shall have the right, without need for Lender's approval, to enter into or modify agreements concerning the provision of services or payment and employment of employees, provided that the terms of such agreements shall be fair and reasonable.
- (d) Lender acknowledges that under no circumstances shall any of Borrower's or Guarantor's constituent members, shareholders, directors or partners, direct or indirect, have any personal liability for the Loan or any of Borrower's or Guarantor's obligations under any of the Loan Documents (except with respect to Guarantor under the Guaranty and Environmental Indemnity Agreement).

12. **MISCELLANEOUS.**

12.1 Nonliability. Borrower acknowledges and agrees that:

- (a) notwithstanding any other provision of any Loan Document: (i) Lender is not and shall be deemed a partner, joint venturer, alter-ego, manager, controlling person or other business associate or participant of any kind of Borrower and Lender does not intend to ever assume any such status; (ii) Lender does not intend to ever assume any responsibility to any Person for the quality or safety of the Property, and (iii) Lender shall not be deemed responsible for or a participant in any acts, omissions or decisions of Borrower;
- (b) Lender shall not be directly or indirectly liable or responsible in any way for any loss, cost, damage, penalty, expense, liabilities or injury of any kind to any Person or property resulting from any construction on, or development, occupancy, ownership, management, operation, possession, condition or use of, the Property (except to the extent solely caused by Lender's or Lender's proven gross negligence or willful misconduct), including without limitation those resulting or arising directly or indirectly from: (i) any defect in any Improvements; (ii) any act or omission of Borrower or any of Borrower's agents, employees, independent contractors, licensees or invitees; or (iii) any accident on the Property or any fire or other casualty or hazard thereon; and
- (c) By accepting or approving anything required to be performed or given to Lender under the Loan Documents, including any certificate, financial statement, Survey, Appraisal or insurance policy, Lender shall not be deemed to have warranted or represented the sufficiency or legal effect of the same, and no such acceptance or approval shall constitute a warranty or representation by Lender to anyone.

Indemnification of the Lender.

- (a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Lender, and each of its officers, members, directors, officials, employees, attorneys and agents (collectively, the “Indemnified Parties”), against any and all losses, damages, claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under or any statutory law (including federal or state securities laws) or at common law or otherwise, caused by or based upon or to the extent resulting from:
- (i) (A) the making of the Loan; (B) a claim, demand or cause of action that any Person has or asserts against Borrower, Member or any Guarantor; (C) the payment of any commission, charge or brokerage fee incurred in connection with the Loan; (D) any act or omission of Borrower, any of their respective agents, employees, licensees, contractor, subcontractor or material supplier, engineer, architect or other Person with respect to the Loan or the Property; (E) the construction, development, ownership, occupancy, management, operation, possessing condition or use of the Property; (F) the Loan Documents, or the execution or amendment thereof, or in connection with any of the transactions contemplated thereby, including without limitation, the making of the Loan; and (G) any lien or charge upon payments by the Borrower to the Lender hereunder, or any taxes (including, without limitation, ad valorem taxes and sales taxes), assessments, impositions and other charges imposed in respect of all or any portion of the Property;
- (ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Property, the operation of the Property, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of the Property, and
- (iii) any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Property or any part thereof,

in the case of the foregoing indemnification of the Lender or any of the other Indemnified Parties, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party; and provided that this Section is not intended to give rise to a right of the Lender to claim payment of the principal and accrued interest with respect to the Loan as a result of an Indemnified Party claim. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Global Self Storage Establishes \$10 Million Revolving Credit Facility

New York, NY – December 21, 2018 – Global Self Storage, Inc. (NASDAQ: SELF) (the “Company”), a real estate investment trust (“REIT”) that owns and operates self storage properties, has entered into a revolving credit facility with TCF National Bank for a principal amount of up to \$10 million. The revolving credit facility has a three-year maturity and is secured by the Company’s Millbrook, NY, Lima, OH, Fishers, IN, and Clinton, CT properties (the “Secured Properties”).

Under the terms of the revolving credit facility loan documents, the facility bears interest on withdrawn funds at a rate equal to one-month LIBOR plus 3.00%. The Company intends to use the revolving credit facility for the acquisition of additional self storage properties and potential expansions at the Secured Properties.

“This new credit facility is a major step forward for Global Self Storage,” said President and Chief Executive Officer of the Company, Mark C. Winmill. “For the past two years, we have successfully grown the business organically, primarily through our revenue rate management program and expansion of existing properties. Our focus remains to identify and acquire properties where we believe that our management techniques and innovations can strengthen our portfolio and increase stockholder value. With this credit facility in place, we are now in a position to capitalize on the significantly fragmented self storage industry through additional acquisitions, particularly in our target markets, where we have established a strong track record of driving industry-leading revenue and net operating income growth. We will continue to operate with the same operating and underwriting discipline that has led us to where we are today, with the added benefit of having the financial flexibility to acquire additional properties that can help us grow funds from operations and maintain dividend coverage.”

Additional details of the revolving credit loan agreement are available in the Company’s current report on Form 8-K filed with the U.S. Securities and Exchange Commission on December 21, 2018.
