STATEMENT ON FORWARD LOOKING INFORMATION

Certain information presented in this Proxy Statement may contain “forward-looking statements” within the meaning of the federal securities laws including the Private Securities Litigation Reform Act of 1995. Forward looking statements include statements concerning our plans, objectives, goals, strategies, future events, future revenues or performance, capital expenditures, financing needs, plans or intentions relating to acquisitions and other information that is not historical information. In some cases, forward looking statements can be identified by terminology such as “believes,” “plans,” “intends,” “expects,” “estimates,” “may,” “will,” “should,” or “anticipates,” or the negative of such terms or other comparable terminology, or by discussions of strategy. All forward-looking statements made by us involve known and unknown risks, uncertainties and other factors, many of which are beyond our control, which may cause our actual results to be materially different from those expressed or implied by such statements. We may also make additional forward looking statements from time to time. All such subsequent forward-looking statements, whether written or oral, by us or on our behalf, are also expressly qualified by these cautionary statements. All forward-looking statements, including without limitation, our examination of historical operating trends and estimates of future earnings, are based upon our current expectations and various assumptions. Our expectations, beliefs, and projections are expressed in good faith and our belief there is a reasonable basis for them, but there can be no assurance that our expectations, beliefs and projections will result or be achieved.

All forward looking statements apply only as of the date made. Except as required by law, we undertake no obligation to publicly update or revise forward looking statements which may be made to reflect events or circumstances after the date made or to reflect the occurrence of unanticipated events.

There are a number of risks and uncertainties that could cause our actual results to differ materially from the forward-looking statements contained in or contemplated by this Proxy Statement. One of the most significant factors is the ongoing impact of the novel coronavirus (“COVID-19”) pandemic on the economy, the self storage industry and the broader financial markets. The Company is unable to predict whether the continuing effects of the COVID-19 pandemic will trigger a further economic slowdown and to what extent the Company will experience disruptions related to the COVID-19 pandemic. The outbreak of COVID-19 has also impacted, and is likely to continue to impact, directly or indirectly, many of the other important factors below and the risks described in “Item 1A. Risk Factors” included in our most recent annual report on Form 10-K and in our other filings with the Securities and Exchange Commission (the “SEC”). Any forward-looking statements should be considered in light of the risks referenced in “Item 1A. Risk Factors” included in our most recent annual report on Form 10-K and in our other filings with the SEC. Such factors include, but are not limited to:

- **general risks associated with the ownership and operation of real estate, including changes in demand, risks related to development of self storage properties, potential liability for environmental contamination, natural disasters and adverse changes in tax, real estate and zoning laws and regulations;**
- **risks associated with downturns in the national and local economies in the markets in which we operate, including risks related to current economic conditions and the economic health of our customers;**
- **the impact of competition from new and existing self storage and commercial properties and other storage alternatives;**
- **difficulties in our ability to successfully evaluate, finance, integrate into our existing operations, and manage acquired and developed properties;**
- **risks related to our development of new properties and/or participation in joint ventures;**
- **risks of ongoing litigation and other legal and regulatory actions, which may divert management’s time and attention, require us to pay damages and expenses or restrict the operation of our business;**
- **the impact of the regulatory environment as well as national, state, and local laws and regulations including, without limitation, those governing the environment, taxes and our tenant reinsurance business and real estate investment trusts (“REITs”), and risks related to the impact of new laws and regulations;**
- **risk of increased tax expense associated either with a possible failure by us to qualify as a REIT, or with challenges to intercompany transactions with our taxable REIT subsidiaries;**
- **changes in federal or state tax laws related to the taxation of REITs, which could impact our status as a REIT;**
- **increases in taxes, fees and assessments from state and local jurisdictions;**
- **security breaches or a failure of our networks, systems or technology;**
- **our ability to obtain and maintain financing arrangements on favorable terms;**

- **market trends in our industry, interest rates, the debt and lending markets or the general economy;**
- **the timing of acquisitions and our ability to execute on our acquisition pipeline;**
- **general volatility of the securities markets in which we participate;**

QUESTIONS AND ANSWERS REGARDING THE PROPOSALS

Question: What proposals will be acted upon at the Meeting?

- A. At the Meeting, you will be asked to: elect to the Board each of the nominees, Messrs. William C. Zachary, Thomas B. Winmill, Esq., George B. Langa, Mark C. Winmill, and Russell E. Burke III (the “Nominees”), to serve until the Company’s 2022 Annual Meeting of Stockholders and until their successors are duly elected and qualify (Proposal 1); and ratify the appointment of RSM US LLP (“RSM”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2021 (Proposal 2).

Question: How does the Board recommend that I vote?

- A. After careful consideration of the proposals, the Board, including all those members who are nonemployee independent directors, as defined under the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder and exemptions granted therefrom, both as amended from time to time (the “Exchange Act”), and The Nasdaq Stock Market LLC (“Nasdaq”) Listing Rules (the “Independent Directors”), unanimously approved each proposal and recommends that you vote “FOR” each of the nominees in Proposal 1 and “FOR” Proposal 2. The reasons for the Board’s recommendations are discussed in more detail in this Proxy Statement.

Question: What are stockholders being asked to approve in Proposal 1?

- A. Stockholders are being asked to elect to the Board each of the Nominees, to serve until the Company’s 2022 Annual Meeting of Stockholders and until their successors are duly elected and qualify.

William C. Zachary has served on the Board and as the chairman of the Board’s audit committee (the “Audit Committee”) since 2016. He is Chief Development Officer at SunLight General Capital, an owner and developer of solar energy systems located at schools, municipal buildings, and other small, institutional users. Prior to that, he was the head of Municipal Finance at Société Générale. He previously served as a director of Tuxis Corporation from 2014 to 2016. He was selected to serve on our Board because of his prior experience serving on the board another self storage company and his experience in underwriting finance.

Thomas B. Winmill, Esq. has served on the Board since 1997. He is a member of the New York State Bar and the SEC Rules Committee and Principal Underwriters Working Group of the Investment Company Institute. He was selected to serve on our Board because of his experience and extensive knowledge of finance, accounting, regulatory, investment, and board operational matters.

George B. Langa has served on the Board and as the chairman of the Board’s nominating committee (the “Nominating Committee”) since 2016. He is a Luxury Collection Specialist for Berkshire Hathaway HomeServices and a licensed real estate agent in New York. Prior to that, he served as Executive Vice President of Millbrook Real Estate, LLC, licensed real estate brokers in New York and Connecticut. He specializes in premium estates, development, land, commercial and agricultural properties. He was selected to serve on our Board because of his experience with and extensive knowledge of commercial real estate transactions, marketing, and management.

Mark C. Winmill has served as a director, Chief Executive Officer, President and Chairman of the Board of the Company and its subsidiaries since 2012. He manages all aspects of the Company’s self storage facility businesses including, among other things, the formation of business objectives and strategies, identification of potential acquisition targets, development of project plans, retention of employees, establishment of compensation and compensation incentives, negotiation and closing of property acquisitions, obtaining zoning approvals, overseeing construction, and development of leasing and tenant acquisition strategies. He was selected to serve on our Board because of his experience and extensive knowledge of the self storage industry and matters relating to real estate development, finance, accounting, and board operations.

Russell E. Burke III has served on the Board and as the chairman of the Board’s compensation committee (the “Compensation Committee”) since 2016. He is President of Ninigret Trading Corporation, an art investment and appraisal company. He is also a Board Member of the New Britain Museum of American Art. Previously, he served as an auction house president and partner with responsibility for storage and disposal in connection

with large estates. He previously served as a director of Tuxis Corporation from 1997 to 2016. He was selected to serve on our Board because of his prior experience serving on the board of a self storage company and his experience and extensive knowledge of the self storage industry.

Question: What are stockholders being asked to approve in Proposal 2?

- A. Although the Board has sole authority to appoint, re-appoint, and dismiss the Company's independent registered public accounting firm, it is seeking the opinion of the stockholders regarding its appointment of RSM as the independent registered public accounting firm. For this reason, stockholders are being asked to ratify this appointment. If stockholders ratify the appointment of RSM as the independent registered public accounting firm, the Board will take that fact into consideration, but may, nevertheless, dismiss RSM. If stockholders do not ratify the appointment of RSM as the Company's independent registered public accounting firm, the Board will take that fact into consideration, but may, nevertheless, continue to retain RSM.

Question: How do I vote?

- A. You may use the enclosed postage-paid envelope to mail your proxy card or you may attend the Meeting virtually. You may also authorize a proxy to vote your shares by phone by calling toll free at (800) 690-6903. To authorize a proxy to vote your shares via the Internet, go to www.proxyvote.com and enter the control number found on the enclosed proxy card.

You may also vote at the Meeting. In order to gain admission to the Meeting, you must go to <http://www.virtualshareholdermeeting.com/SELF2021> and enter the control number found on your proxy card, voting instruction form or notice. Otherwise, admittance to the meeting will not be approved.

Question: How can I attend the Meeting?

- A. While it is not necessary for you to attend the Meeting in order to vote your shares, stockholders may attend by visiting the website listed above. To participate in the Meeting, you will need the control number included on your proxy card or on the instructions that accompanied your proxy materials. During the Meeting, you will participate in an audio webcast as a "listen only" participant. The meeting will start at 10:00 A.M., ET on June 8, 2021. We encourage you to access the Meeting website prior to the start time. If you encounter any difficulties accessing the virtual meeting during the check-in or Meeting time, please contact the technical support number that will be posted on the website log-in page. We will follow established meeting rules and procedures which afford the same treatment to all participating stockholders. Additionally, we will use software that verifies the identity of each participating stockholder and ensures they are granted the same access rights they would have at an in-person meeting.

Audit Committee. The Board has an Audit Committee, comprised of Messrs. Zachary (Chair), Burke and Langa. The Board determined that all of the members of the Audit Committee are independent as required by the Nasdaq Listing Rules and SEC rules governing the qualifications of Audit Committee members. Zachary, Burke and Langa qualify as "audit committee financial experts" for purposes of, and as defined by, the SEC rules and possess the requisite financial sophistication, as required by the Nasdaq Listing Rules. The purpose of the Audit Committee is to meet with the Company's independent registered public accounting firm ("independent registered public accounting firm") to review its financial reporting, external audit matters, and fees charged by the Company's independent registered public accounting firm and to evaluate the independence of the independent registered public accounting firm. The Audit Committee is also responsible for recommending the selection, retention, or termination of the Company's independent registered public accounting firm, reviews with the

The Board has an executive committee (the "Executive Committee"), comprised of Mr. Mark Winmill, which may meet from time to time, the function of which is to exercise the powers of the Board between meetings of the Board to the extent permitted by law to be delegated and not delegated by the Board to any other committee. The Executive Committee did not meet during the fiscal year ended December 31, 2020.

Committee of Continuing Directors. The Company has a committee of continuing directors (the "Committee of Continuing Directors") which may meet from time to time, to take such actions as are required by the governing documents of the Company. CORPORATE GOVERNANCE

Code of Conduct and Ethics

We have adopted a Code of Conduct and Ethics in compliance with rules of the SEC that applies to all of our personnel, including our Board, Chief Executive Officer and Chief Financial Officer. The Code of Conduct and Ethics is available free of charge on the "Governance Documents" section of our website at www.GlobalSelfStorage.us. We intend to satisfy any disclosure requirements under Item 5.05 of Form 8-K regarding amendments to, or waivers from, provisions of our Code of Conduct and Ethics by posting such information on our web site at the address specified above.

Director Independence

The Nasdaq Listing Rules generally require that a majority of the members of a listed company's board of directors be independent. In addition, the listing rules generally require that, subject to specified exceptions, each member of a listed company's audit, compensation and governance committees be independent.

Accordingly, the Board has evaluated the independence of its members based upon the rules of Nasdaq and the SEC and the transactions referenced under "Certain Relationships and Related Party Transactions" in this Proxy Statement. Applying these standards, the Board determined that none of the directors who currently serve, other than Messrs. Mark and Thomas Winmill, have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that Messrs. Burke, Langa and Zachary are "independent" as that term is defined under Rule 5605(a)(2) of the Nasdaq Listing Rules. Messrs. Mark and Thomas Winmill are not considered independent because they are officers of the Company and/or its

affiliates. The Board also determined that each non-employee director who serves as a member of the Audit, Compensation and Nominating Committees satisfies the independence standards for such committee established by the SEC and the Nasdaq Listing Rules, as applicable.

Current Board Leadership Structure and Oversight Responsibilities

The Board is responsible for the oversight of the Company's operations. The Board is currently composed of five members, three of whom are Independent Directors. As described above, the Board has established five standing committees, the Audit Committee, Compensation Committee, Nominating Committee, Executive Committee and Committee of Continuing Directors, and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. The inclusion of all Independent Directors as members of the Audit, Compensation, Nominating, and Continuing Directors committees allows all the Independent Directors to participate in the full range of the Board's oversight duties, including oversight of risk management processes discussed below.

The Board has designated Mr. Mark Winmill to serve as the Chairman of the Board (the "Chairman"). Mr. Winmill has been active in the real estate and self storage industries for over 19 years as chief executive officer and in other capacities. The Chairman presides at each Board meeting, establishes the agenda for Board meetings, and acts as the primary liaison between the Independent Directors and Company management. The Chairman of the Board is an "interested person" of the Company. The Independent Directors have not appointed a lead Independent Director. The Independent Directors believe that the utilization of an interested person as Chairman provides an efficient structure for them to coordinate with Company management in carrying out their responsibilities. The Chairman plays an important role in communicating with them in identifying matters of special interest to be addressed by Company management and the Board. The Chairman may also perform such other functions as may be requested by the directors from time to time. Designation as Chairman does not impose on such director any duties or standards greater than or different from other directors. The directors believe that the Board's leadership structure, taking into account, among other things, its committee structure, which permits certain areas of responsibility to be allocated to the Independent Directors, is appropriate given the characteristics and circumstances of the Company.

Risk Oversight

The operation of the Company generally involves a variety of risks. As part of its oversight of the Company, the Board oversees risk management through various regular Board and committee activities. The Board, directly or through its committees, reviews reports from, among others, the Company's management, including the Company's Chief Compliance Officer, the Company's independent registered public accounting firm, outside legal counsel, and others, as appropriate, regarding risks faced by the Company and the extent of its risk management programs. Although the Company's risk management program is designed to be effective, there is no guarantee that it will anticipate or mitigate all risks. Not all risks that may affect the Company can be identified, eliminated, or mitigated and some risks may not be anticipated or may be beyond the control of the Board or the Company.

Information Regarding the Company's Process for Director Candidate Recommendations and Director Selection Criteria

In identifying potential nominees for the Board, the Nominating Committee may consider candidates recommended by one or more of the following sources: (i) the Company's current directors, (ii) the Company's officers, (iii) the Company's affiliates, (iv) the Company's stockholders, and (v) any other source the Nominating Committee deems to be appropriate. The Nominating Committee will not consider self-nominated candidates. The Nominating Committee may, but is not required to, retain a third-party search firm at the Company's expense to identify potential candidates. The Nominating Committee believes the Board may benefit from diversity of background, experience, and views among its members, and may consider this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

Pursuant to the Company's governing documents, to qualify as a nominee for a directorship, an individual, at the time of nomination, (i)(A) shall be a resident United States citizen and have substantial expertise, experience or relationships relevant to the business of the Company, and (B) shall have a master's degree in economics, finance, business administration or accounting, a graduate professional degree in law from an accredited university or college in the United States or the equivalent degree from an equivalent institution of higher learning in another country, or a certification as a public accountant in the United States, or be deemed an "audit committee financial expert" as such term is defined in Item 401 of Regulation S-K (or any successor provision) of the Exchange Act; or (ii) shall be a current director of the Company. In addition, to qualify as a nominee for a directorship or election as a director, (i) an incumbent nominee shall not have violated any provision of the Conflicts of Interest and Corporate Opportunities Policy (the "Policy"), adopted by the Board on July 8, 2003, as subsequently amended or modified, and (ii) an individual who is not an incumbent director shall not have a relationship, hold any position or office or otherwise engage in, or have engaged in, any activity that would result in a violation of the Policy if the individual were elected as a director. The

Nominating Committee, in its sole discretion, shall determine whether an individual satisfies the foregoing qualifications. Any individual who does not satisfy the qualifications set forth under the foregoing provisions of this section shall not be eligible for nomination or election as a director. In addition, no person shall be qualified to be a director unless the Nominating Committee, in consultation with counsel to the Company, has determined that such person, if elected as a director, would not cause the Company to be in violation of, or not in compliance with, applicable law, regulation or regulatory interpretation, or the Company's charter, or any general policy adopted by the Board regarding either retirement age or the percentage of interested persons and non-interested persons to comprise the Company's Board.

The Nominating Committee will consider and evaluate nominee candidates properly submitted by stockholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources. Nominee candidates proposed by stockholders will be properly submitted for consideration by the Nominating Committee only if the qualifications and procedures set forth in the Nominating Committee charter, as it may be amended from time to time by the Nominating Committee or the Board, are met and followed (recommendations not properly submitted will not be considered by the Nominating Committee).

A candidate recommended for nomination as a director submitted by a stockholder will not be deemed to be properly submitted to the Nominating Committee for the Nominating Committee's consideration unless the following qualifications have been met and procedures followed:

1. A stockholder or group of stockholders (referred to in either case as a "Nominating Stockholder") that, individually or as a group, has beneficially owned at least 5% of the Company's common stock for at least two years prior to the date the Nominating Stockholder submits a candidate for nomination as a director may submit one candidate to the Nominating Committee for consideration at an annual meeting of stockholders.

2. The Nominating Stockholder must submit any such recommendation (a "Stockholder Recommendation") in writing to the Company, to the attention of the Secretary, at the address of the principal executive offices of the Company.

3. The Stockholder Recommendation must be delivered to or mailed and received at the principal executive offices of the Company not less than 120 calendar days before the first anniversary date of the Company's proxy statement released to stockholders in connection with the previous year's annual meeting of stockholders.

4. The Stockholder Recommendation must include: (i) a statement in writing setting forth (A) the name, date of birth, business address and residence address of the person recommended by the Nominating Stockholder (the "Candidate"); (B) any position or business relationship of the candidate, currently or within the preceding five years, with the Nominating Stockholder or an Associated Person of the Nominating Stockholder (as defined below); (C) the class or series and number of all shares of the Company owned of record or beneficially by the Candidate, as reported to such Nominating Stockholder by the Candidate; (D) any other information regarding the Candidate that is required to be disclosed about a nominee in a proxy statement or other filing required to be made in connection with the solicitation of proxies for election of directors pursuant to the Exchange Act; (E) whether the Nominating Stockholder believes that the Candidate is or will be an Independent Director and, if believed not to be an "independent director," information regarding the Candidate that will be sufficient for the Company to make such determination; and (F) information as to the Candidate's knowledge of the Company's industry, experience as a director or senior officer of public companies, and educational background; (ii) the written and signed consent of the Candidate to be named as a nominee and to serve as a director if elected; (iii) the written and signed agreement of the Candidate to complete a directors' and officers' questionnaire if elected; (iv) the Nominating Stockholder's consent to be named as such by the Company; (v) the class or series and number of all shares of the Company owned beneficially and of record by the Nominating Stockholder and any Associated Person of the Nominating Stockholder and the dates on which such shares were acquired, specifying the number of shares owned beneficially but not of record by each, and stating the names of each as they appear on the Company's record books and the names of any nominee holders for each; and (vi) a description of all arrangements or understandings between the Nominating Stockholder, the Candidate and/or any other person or persons (including their names) pursuant to which the recommendation is being made by the Nominating Stockholder. "Associated Person of the Nominating Stockholder" as used herein means any person required to be identified pursuant to clause (vi) and any other person controlling, controlled by or under common control with, directly or indirectly, (a) the Nominating Stockholder or (b) any person required to be identified pursuant to clause (vi).

5. The Nominating Committee may require the Nominating Stockholder to furnish such other information as it may reasonably require or deem necessary to verify any information furnished pursuant to the requirements of the Nominating Committee charter or to determine the qualifications and eligibility of the Candidate proposed by the Nominating Stockholder to serve on the Board. If the Nominating Stockholder fails to provide such other information in writing within seven days of receipt of written request from the Nominating Committee, the recommendation of such Candidate as a nominee will be deemed not properly submitted for consideration, and will not be considered, by the Nominating Committee.

A detailed description of the criteria used by the Nominating Committee as well as information required to be provided by stockholders submitting candidates for consideration by the Nominating Committee are included in the Nominating Committee charter. The Nominating Committee charter, as amended, was approved by the Board on May 11, 2017.

Audit Committee Financial Expert

The Board has determined that it has three “audit committee financial experts” (as that term is defined under SEC rules implementing Section 407 of the Sarbanes-Oxley Act) serving on its Audit Committee, each of whom are “independent” directors that satisfy the heightened audit committee independence requirements under the Nasdaq Listing Rules and Rule 10A-3 of the Exchange Act. Further, each member of the Audit Committee possesses the requisite financial sophistication, as required by the Nasdaq Listing Rules.

Executive Sessions of Independent Directors

The Independent Directors serving on our Board regularly meet in executive session with outside counsel at our Board meetings.

Director Attendance at Annual Meetings of Stockholders

The Company does not have a formal policy regarding attendance by directors at annual meetings of stockholders but encourages such attendance. The Company held an annual meeting of stockholders for the fiscal year ended December 31, 2020 on June 12, 2020, at which all directors were in attendance.

Whistleblower Procedures

The Audit Committee has established procedures for (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential and anonymous submission by the Company’s employees of concerns regarding questionable accounting or auditing matters. If you wish to contact the Audit Committee to report complaints or concerns relating to the financial reporting of the Company, you may do so by delivering the report via regular mail, which may be mailed anonymously, to the Audit Committee Chair, c/o Global Self Storage Inc., 11 Hanover Square, New York, New York 10005.

EXECUTIVE COMPENSATION

General

Our named executive officers for our 2020 fiscal year are:

- Mr. Mark C. Winmill, Chief Executive Officer and President;
- Mr. Thomas O’Malley, Chief Financial Officer, Treasurer and Vice President; and
- Mr. Donald Klimoski II, General Counsel, Secretary, Chief Compliance Officer and Vice President.

We recognize that the quality, abilities and dedication of our named executive officers are critical factors that drive the long-term value of the Company. One of the primary objectives of the Compensation Committee is to ensure that the Company provides a competitive and comprehensive compensation program that allows us to attract and retain qualified and talented individuals who possess the skills and expertise necessary to lead, manage and grow the Company and who are accountable for the performance of the Company. The Compensation Committee, which is comprised entirely of Independent Directors, has the overall responsibility for monitoring the performance of our named executive officers and evaluating and approving our executive compensation plans, policies and programs.

The main elements of our executive compensation program include base salary, cash bonuses, and long-term equity compensation. Base salary is a critical element of executive compensation as it provides such executives with assured monthly cash compensation. Annual cash bonuses are also important to incentivize our executives to achieve short-term corporate strategic initiatives, to motivate certain desired individual behaviors, and to reward substantial achievement of these objectives and individual goals. In 2017, the Company engaged Willis Towers Watson (“WTW”), a globally recognized compensation consultant, to advise and provide guidance to the Compensation Committee with respect to its existing executive compensation practices, and also to help develop and implement our ongoing executive compensation program that incorporates long-term equity compensation. Long-term equity compensation is central to our overall executive compensation program as it promotes retention and encourages the creation of long-term stockholder value and the achievement of our long-term business strategy.

As the Company seeks to implement its growth plan and expand its underlying business, the Compensation Committee will continue to review and consider our executive compensation program to ensure that the Company provides a compensation

program that attracts and retains the best executive talent in a manner that allows us to align the interests of our named executive officers with those of our stockholders.

Say-on-Pay Voting Results

In connection with our 2020 Annual Meeting of Stockholders (the “2020 Annual Meeting”), we submitted our executive compensation program to an advisory vote of our stockholders (also known as “Say-on-Pay”). Approximately 74% of voting stockholders at the 2020 Annual Meeting approved our executive compensation program. The Compensation Committee reviews our executive compensation program annually to ensure it is aligned with our long-term business strategy and encourages the creation of long-term stockholder value. The Compensation Committee values the opinions of our stockholders and will continue to consider those opinions when making future executive compensation decisions.

Impact of Covid-19

In 2020, the novel coronavirus (“COVID-19”) pandemic presented unexpected challenges to our business, tenants, employees and the communities in which we operate. In particular, we believe the COVID-19 pandemic resulted in a reduction of revenues throughout the self storage industry in fiscal year 2020. To blunt this negative impact on revenues, the Company took innovative steps to provide contactless rental and payment options to help insure safe, convenient, and timely customer service. In addition, the Company’s disciplined approach to expense control reduced the negative impact of the COVID-19 pandemic on fiscal year 2020 adjusted funds from operations without furloughing or eliminating positions due to such circumstances. Also under the Company’s leadership, a strong balance sheet was maintained with total capital resources of approximately \$8.8 million as of the end of fiscal year 2020. Despite the negative impact of the COVID-19 pandemic on our business, our named executive officers recommended (in favor of the Company and against their own personal pecuniary interests), and our Compensation Committee agreed, that no discretionary adjustments would be made to the performance goals or payouts under our performance-based incentive plan for 2020.

The ongoing COVID-19 pandemic has severely impacted global economic activity and caused significant volatility and negative pressure in financial markets. The global impact of the pandemic has been rapidly evolving and many countries, including the United States, have reacted by instituting quarantines, mandating business and school closures, requiring restrictions on travel and issuing “shelter-in-place” and/or “stay-at-home” orders, and imposing restrictions on the types of businesses that may continue to operate. While some of these restrictions have been relaxed or phased out, many of these or similar restrictions remain in place, continue to be implemented, or additional restrictions may be considered. Such actions have caused disruptions in global supply chains, and are adversely impacting a number of industries, such as transportation, hospitality and entertainment. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the COVID-19 pandemic on our business in 2021. In light of such future uncertainty, the Compensation Committee may exercise its discretion to reevaluate previously established 2021 performance goals as it deems appropriate.

A portion of Messrs. Winmill, O'Malley, and Klimoski's compensation may be deferred at their election.

Mr. Mark Winmill's compensation is typically determined annually by the Compensation Committee by level of responsibility and tenure at the Company. For 2019 and 2020, the Board directed that non-CEO employee compensation (other than awards under our Plan, which are typically determined annually by the Compensation Committee), including Mr. O'Malley's and Mr. Klimoski's, be set based on a general methodology used in prior years whereby the total level of compensation for each employee that is concurrently employed by the Company and its affiliates is set by Mr. Mark Winmill, as Chief Executive Officer of the Company and Tuxis, and Mr. Thomas Winmill, as Chief Executive Officer of other affiliates of the Company, and then allocated based on time allocation reports of each such non-CEO employee or other means deemed appropriate by Messrs. Mark and Thomas Winmill.

The primary components of Messrs. Mark Winmill, Thomas O'Malley, and Donald Klimoski's bonuses are typically based on, among other things, (i) the number of weeks' salary paid as bonuses to Company employees generally, and/or (ii) the financial performance of the Company. A subjective component of Messrs. Winmill, O'Malley, and Klimoski's bonuses may be based on their overall contribution to management of the Company.

Benefits consist of premiums paid by the Company for medical, dental, vision, life and long term disability insurances. The Company and its affiliates (as detailed below) participate in a 401(k) retirement savings plan for substantially all qualified employees. A matching expense based upon a percentage of contributions to the plan by eligible employees is incurred and allocated among the Company and its affiliates. The matching expense is accrued and funded on a current basis and may not exceed the amount permitted as a deductible expense under the Internal Revenue Code of 1986, as amended (the "Code"). The Company's allocated matching expense to Messrs. Winmill, O'Malley, and Klimoski under the plan was \$11,247, \$10,298 and \$10,412, respectively, for the year ended December 31, 2020.

The Company currently reimburses monthly automobile expenses of \$1,000 per month to its President, Mark C. Winmill. To the extent that the monthly payment under the Company's automobile lease exceeds the current monthly reimbursement amount, Mr. Winmill voluntarily reimburses the Company for the excess amount. In this regard, Mr. Winmill has reimbursed the Company \$2,254 for the automobile payments paid and due in 2020.

Equity Awards

On March 26, 2020, March 25, 2021, and April 12, 2021, respectively, in consultation with WTW, the Compensation Committee approved awards under our Plan to our named executive officers and certain of our other officers, employees and independent contractors in respect of performance for the fiscal years ending December 31, 2020 and December 31, 2021, as further described below.

The awards approved on March 26, 2020, consisted of restricted share awards under our Plan to our named executive officers and certain of our other officers, employees and independent contractors in the aggregate amount of 25,905 shares, of which 15,025 shares consisted of performance-based grants and the remainder of the shares consisted of time-based grants. Mr. Mark Winmill, our Chief Executive Officer and President, received 8,025 shares. Mr. Thomas O'Malley, our Chief Financial

Officer, and Mr. Donald Klimoski II, our General Counsel, each received 3,500 shares. Between 0% and 200% of these shares were eligible to be earned based on our adjusted funds from operations (“AFFO”) and same store revenue growth (“SSRG”) in 2020, and the shares which were earned will remain subject to quarterly vesting during the remaining four-year time vesting period.

However, due to circumstances attributable to the COVID-19 pandemic, various publicly traded self storage peers that provided SSRG guidance for 2020 withdrew such guidance. Peer guidance for 2020 SSGR was a significant component of the Compensation Committee’s methodology when setting 2020 performance goals. This unavailable peer guidance component rendered the Company’s methodology for setting SSRG performance goals for 2020 obsolete and resulted in a performance attainment of 0% for SSGR, despite the Company performing better than average in comparison to actual SSRG of such peers in 2020. The Compensation Committee, upon the recommendation of the Company’s named executive officers (in favor of the Company and against their own personal pecuniary interests), did not exercise its discretion to make adjustments to performance goals for fiscal year 2020 to account for the negative impact of the COVID-19 pandemic. As a result, Messrs. Winmill, O’Malley, and Klimoski earned a weighted payout percentage of approximately 12.92% of such shares based on AFFO and SSRG in 2020. With respect to the grants made in 2020 to Messrs. Winmill, O’Malley and Klimoski, 1,037 of the shares for Mr. Winmill and 452 of the shares for each of Messrs. O’Malley and Klimoski vest based on continued employment. Mr. Winmill, our Chief Executive Officer and President, Mr. Thomas O’Malley, our Chief Financial Officer, and Mr. Donald Klimoski II, our General Counsel, returned 6,988, 3,048 and 3,048 shares, respectively, in March 2021 to adjust for such performance attainment. Dividends paid by the Company prior to the determination of how many shares were earned were retained by the Company and released with respect to earned shares.

On March 25, 2021 and April 12, 2021, the Compensation Committee approved restricted share awards under our Plan to our named executive officers and certain of our other officers, employees and independent contractors in the aggregate amount of 76,275 shares, of which 15,025 shares are performance-based grants and the remainder of the shares are time-based grants. Messrs. Winmill, O’Malley, and Klimoski, received 32,125, 13,900 and 13,900 shares, respectively. With respect to the grants made to Messrs. Winmill, O’Malley, and Klimoski, 24,100 of the shares for Mr. Winmill, 10,400 of the shares for Mr. O’Malley and 10,400 of the shares for Mr. Klimoski vest solely based on continued employment, with 6.25% of the shares eligible to vest on each three-month anniversary of the grant date. These time-based restricted shares entitle the holder to dividends paid by the Company on shares of its common stock. Further, these time-based restricted share grants were front loaded and represented three years of grants; therefore, no additional time-based grants are currently expected to be made in 2022 and 2023 to Messrs. Winmill, O’Malley and Klimoski. The remaining 8,025 of the shares for Mr. Winmill, 3,500 of the shares for Mr. O’Malley and 3,500 of the shares for Mr. Klimoski vest based on continued employment and the achievement of certain AFFO and SSRG goals by the Company during 2021. It is currently expected that performance-based grants such as these will be made to Messrs. Winmill, O’Malley and Klimoski on an annual basis. Between 0% and 200% of these shares will be earned based on achievement of the AFFO and SSRG goals in 2021, and the shares which are earned will remain subject to quarterly vesting during the remaining four-year time vesting period. In the event that the Company completes a capital raise in 2021 of a certain dollar amount or more in gross proceeds, the number of performance shares earned by Messrs. Winmill, O’Malley, and Klimoski in 2021 shall be increased by 25%. Dividends paid by the Company prior to the determination of how many shares are earned will be retained by the Company and released only with respect to earned shares. If a Change in Control (as defined in our Plan) occurs during 2021, the number of shares earned will equal the greater of the number of shares granted and the number of shares which would have been earned based on the AFFO and SSRG through the date of the Change in Control. If following a Change

in Control, a grantee is terminated by the Company without Cause or by the grantee with Good Reason (as each is defined in our Plan), all unvested restricted shares will fully vest.

For 2020, the Company's AFFO was \$2,245,996 and SSRG was 0.67%, which, with each weighted equally, resulted in vesting of 12.92% of the target number of performance vesting restricted shares (a total of 1,037, 452 and 452 shares for Messrs. Winmill, O'Malley and Klimoski, respectively). As of March 31, 2021, twenty-five percent of these shares were vested and the remainder will vest quarterly in 6.25% increments based on continued employment.

Chief Executive Officer Employment Agreement

On March 29, 2018, the Company entered into an employment agreement with its Chief Executive Officer and President, Mr. Mark Winmill.

The employment agreement had an initial term of three years and is now subject to automatic one-year extensions after, unless either party provides at least 90 days' notice of non-renewal.

The employment agreement provides for:

- a minimum monthly base salary of \$26,416;
- eligibility for an annual cash performance bonus based on the satisfaction of performance goals established by the Board or the Compensation Committee;
- participation in benefit plans applicable generally to executive officers; and
- reimbursement of reasonable out-of-pocket expenses, such as automobile lease expenses.

The employment agreement provides that, if Mr. Winmill’s employment is terminated by the Company without “cause” or by Mr. Winmill for “good reason” (each as defined in the employment agreement), or as a result of the Company’s notice of non-renewal of the employment term, Mr. Winmill will be entitled to the following severance payments and benefits, subject to the execution and non-revocation of a general release of claims:

- accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination;
- an amount equal to three times the sum of Mr. Winmill’s annual base salary plus the greater of the average annual bonus received by Mr. Winmill with respect to the two years prior to the year of termination and Mr. Winmill’s “target” annual bonus; and
- continued health benefits (including for Mr. Winmill’s dependents) for twenty-four months following termination.

In the event Mr. Winmill’s employment terminates by reason of his death or disability he or his estate shall receive:

- accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination;
- a prorated annual bonus for the year in which the termination occurs; and
- continued health benefits (including for Mr. Winmill’s dependents) for twenty-four months following termination.

The employment agreement contains standard confidentiality provisions, which apply indefinitely, and both non-competition and non-solicitation of employees and customers covenants, which apply during the term of employment and for a period of twelve months thereafter.

Equity Compensation Plan Information

Our Plan is designed to provide equity-based incentives to certain eligible persons, as defined in our Plan, in the form of options, share appreciation rights, restricted shares, restricted share units, dividend equivalent rights or other forms of equity-based compensation as determined in the discretion of the Board, the Compensation Committee, or other designee thereof. For additional information about our Plan, see “2017 Equity Incentive Plan” below.

The following table presents certain equity compensation plan information as of December 31, 2020:

Total	—	—	637,642

2017 Equity Incentive Plan

On October 16, 2017, our stockholders approved our Plan.

The purpose of our Plan is to provide us with the flexibility to use stock options and other equity-based awards to provide a means of performance-based compensation.

Key employees, directors, officers, advisors, consultants, and other personnel of ours and our subsidiaries, and other persons expected to provide significant services to us or our subsidiaries, are eligible to be granted incentive and nonqualified share options, share appreciation rights, restricted shares, restricted share units, dividend equivalent rights, and other forms of equity-based compensation under our Plan.

The Compensation Committee has the authority to administer and interpret our Plan, to authorize the granting of awards to eligible participants, to determine the eligibility of eligible participants to receive an award, to determine the number of shares of common stock to be covered under each award agreement, considering the position and responsibilities of the eligible participants, the nature and value to us of the eligible participants' present and potential contribution to our success, whether directly or through our subsidiaries, and such other factors as the Compensation Committee may deem relevant, to approve the form of award agreement, to determine the terms applicable to each award, which may differ among individual awards and participants, and may include performance goals, to extend at any time the period in which options or share appreciation rights may be exercised, provided that such awards cannot have a term longer than 10 years, to determine the extent to which the transferability of shares issued or transferred pursuant to an award is restricted, to decide all disputes arising in connection with our Plan, and to take any other actions, make all other determinations that it deems necessary or appropriate, and otherwise supervise the administration of our Plan.

Our Plan has been administered by a Compensation Committee consisting of two or more non-employee directors, each of whom is intended to be, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director and will, at such times as we are subject to Section 162(m) of the Code, qualify as an "outside director" for purposes of Section 162(m) of the Code.

Subject to adjustment upon certain corporate transactions or events, a maximum of 760,000 shares of common stock may be subject to share options, share appreciation rights, restricted shares, restricted share units, dividend equivalent rights, and other forms of equity-based compensation awards under our Plan. If an option or other award granted under our Plan is cancelled, expires or terminates, the shares that expire or terminate without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. In addition, shares subject to any restricted share unit, dividend equivalent right or other equity-based award (other than share options and share appreciation rights) that are settled in cash will again become available for the issuance of additional awards. Furthermore, awards granted in substitution, assumption, continuation or adjustment of awards remaining available for grant under our Plan pursuant to a change in control or other corporate transaction will not count against the number of shares remaining available for issuance under our Plan. The shares available under a stockholder-approved plan of an entity acquired by us will be available for awards granted to individuals who were not employees of ours immediately before such acquisition, and will not count against the number of shares remaining available for issuance under our Plan. Unless previously terminated by our Board, no new award may be granted under our Plan after October 16, 2027.

PROPOSAL 2: TO RATIFY THE APPOINTMENT OF RSM US LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2021.

The Audit Committee is empowered to appoint a firm to serve as the Company's independent registered public accounting firm. The Audit Committee has previously appointed RSM to serve as the Company's independent registered public accounting firm for the fiscal period commencing January 1, 2021. RSM served as the Company's independent registered public accounting firm for the year ended 2020.

Although the Audit Committee has sole authority to appoint, re-appoint, and dismiss the Company's independent registered public accounting firm, it is seeking the opinion of the stockholders regarding its appointment of RSM as the Company's independent registered public accounting firm. For this reason, stockholders are being asked to ratify this appointment. If stockholders ratify the appointment of RSM as the Company's independent registered public accounting firm, the Audit Committee will take that fact into consideration, but may, nevertheless, dismiss RSM. If stockholders do not ratify the appointment of RSM as the Company's independent registered public accounting firm, the Audit Committee will take that fact into consideration, but may, nevertheless, continue to retain RSM.

Representatives of RSM are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries.

Change of Independent Registered Public Accounting Firm

As previously reported on the Company's Current Report on Form 8-K, dated October 11, 2019, on October 7, 2019, the Audit Committee approved the dismissal of Tait, Weller & Baker LLP ("TWB") as the Company's independent registered public accounting firm.

TWB's audit reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2017 and 2018 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal years ended December 31, 2017 and 2018, and the subsequent interim period through October 7, 2019, the effective date of TWB's dismissal, there were: (i) no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K ("Regulation S-K") of the Securities Exchange Act of 1934, as amended, and the related instructions to Item 304 of Regulation S-K) between the Company and TWB on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to TWB's satisfaction, would have caused TWB to make reference to the subject matter of the disagreement in connection with its reports on the Company's consolidated financial statements for such years or any subsequent interim period through the date of dismissal; and (ii) no "reportable events" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

The Audit Committee conducted a competitive process to determine the Company's independent registered public accounting firm for the Company's fiscal year ending December 31, 2019. Following review of proposals from the independent registered public accounting firms that participated in the process, on October 7, 2019, the Audit Committee approved the engagement of RSM as the Company's independent registered public accounting firm for the Company's fiscal year ended December 31, 2019.

During the fiscal years ended December 31, 2017 and 2018 and the subsequent interim period through October 7, 2019, neither the Company nor anyone on its behalf had consulted with RSM regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided to the Company that RSM concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K; or (iii) any "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

Audit and Non-Audit Fee Table

The following table presents the aggregate fees for professional audit services rendered for the integrated audits of our annual financial statements for the years ended December 31, 2020 and 2019, for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for those fiscal years and fees billed for other services rendered during those periods.

	2020	2019
Audit fees ⁽¹⁾	\$ 140,280	\$ 116,500
Audit - related fees ⁽²⁾	8,400	8,000
Tax fees ⁽³⁾	77,882	57,250
Total ⁽⁴⁾	\$ 226,562	\$ 181,750

(1) Audit fees consist of services rendered for the audit of our annual financial statements and other financial disclosures, review of the consolidated financial statements included in our Form 10-Q filings and consents issued related to registration statements.

(2) Audit-related fees represent professional fees for accounting consultation.

(3) Tax fees represent professional services rendered for tax compliance, tax advice and tax planning.

(4) There were no amounts under "all other fees" for 2019 and 2020.

Audit Committee Pre-Approval of Services by the Independent Registered Public Accounting Firm

In accordance with the Audit Committee charter, which sets forth the Audit Committee's responsibilities, and applicable rules and regulations adopted by the SEC, the Audit Committee reviews and pre-approves any engagement of the independent registered public accounting firm to provide audit, review or attest services or non-audit services and the fees for any such services. The Audit Committee annually considers and, if appropriate, approves the provision of audit services by the independent

registered public accounting firm. In addition, the Audit Committee periodically considers and, if appropriate, approves the provision of any additional audit and non-audit services by our independent registered public accounting firm that are neither pre-approved by the Audit Committee on an annual basis nor prohibited by applicable rules and regulations of the SEC. The Audit Committee has delegated to the chairman of the Audit Committee, Mr. Zachary, the authority to pre-approve, on a case-by-case basis, any such additional audit and non-audit services to be performed by our independent registered public accounting firm. Mr. Zachary reports any decision to pre-approve such services to the Audit Committee at its next regular meeting. All of the fees described in the table above were pre-approved by the Audit Committee.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the Company's audited financial statements in the Company's annual report on Form 10-K for the year ended December 31, 2020 with Company management and RSM. The Audit Committee has also discussed with RSM the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC.

The Audit Committee has received the written disclosures and the letter from RSM pursuant to the applicable requirements of the PCAOB regarding RSM's communications with the Audit Committee concerning independence and the Audit Committee has discussed with RSM its independence with respect to the Company.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board (and the Board approved) that the Company's audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2020 filed with the SEC.

Russell E. Burke III, Member of the Audit Committee
George B. Langa, Member of the Audit Committee
William C. Zachary, Chairman of the Audit Committee

The foregoing Audit Committee Report shall not be deemed under the Securities Act of 1933, as amended, or the Exchange Act, to be (i) "soliciting material" or "filed" or (ii) incorporated by reference by any general statement into any filing made by us with the SEC, except to the extent that we specifically incorporate such report by reference.

Vote Required

Under Section 6 of Article II of the Company's bylaws, a majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present is sufficient to approve any matter which may properly come before the Meeting, unless more than a majority of the votes cast is required by statute or the Company's charter. Inasmuch as Proposal 3 does not require a greater vote by statute or the Company's charter, a majority of all the votes cast at the Meeting at which a quorum is present is sufficient to ratify the appointment of the independent registered public accounting firm.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

There are no currently proposed transactions nor have there been any transactions during the Company's last two fiscal years in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person (as defined in Item 404 of Regulation S-K of the Exchange Act) had or will have a direct or indirect material interest, except for the transaction with Tuxis described below. The Company has not had a promoter at any time during the past five fiscal years and does not have a parent.

In December 2019, the Company paid Tuxis \$900,000 in connection with the purchase of a property made in 2016.

Certain officers and directors of the Company also serve as officers and/or directors of Winco, Bexil, Tuxis, and/or their affiliates (collectively with the Company, the "Affiliates"). As of the Record Date, certain of the Affiliates and the Company's directors and employees may be deemed to own approximately 8.5% of the Company's outstanding common stock. There may be conflicts of interest resulting from the relationships among the Company, the Affiliates, and other related parties. The outside business interests of the Company's officers may divert their time and attention away from the Company, and may result in a potential conflict with respect to the allocation of business opportunities, which could harm its business. The Board has adopted policies and procedures designed to mitigate these conflicts of interest, such as allocation procedures for determining the appropriate allocation of such business opportunities. Specifically, if any officer or director of the Company who also serves as an officer, director, or advisor of the Affiliates becomes aware of a potential transaction related primarily to the self storage business that may represent a business opportunity for the Company and one or more of the Affiliates, such officer or director has no duty to present that opportunity to such Affiliates and the Company will have the sole right to pursue the transaction if the Board so determines. Notwithstanding the foregoing, officers or directors of the Company are encouraged to notify the Affiliates of such an opportunity.

On May 19, 2020, Midas Management Corporation ("MMC") (the "Borrower") entered into a Paycheck Protection Program Term Note ("PPP Note") with Customers Bank on behalf of itself and the Affiliates under the Paycheck Protection Program (the "Program") of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") administered by the U.S. Small Business Administration (the "SBA"). The Borrower received total proceeds of \$486,602 from the PPP Note of which approximately \$300,000 was attributable to the Company under the SBA's loan determination formula. In accordance with the requirements of the CARES Act, the Affiliates used the proceeds from the PPP Note primarily for payroll and other eligible costs. Interest accrues on the PPP Note at the rate per annum of 1.00%. In March 2021, the Borrower has applied to Customers Bank for forgiveness of the amount due on the PPP Note which shall be an amount equal to the sum of payroll and other eligible costs incurred during the Covered Period, as defined, following disbursement under the PPP Note.

For the year ended December 31, 2020, there has been no material impact to the Company's operations or cash flows due to the PPP Note. If and when the PPP Note is, in part or wholly forgiven, and legal release is received, the Company expects to record a gain in an amount proportionate to its share of payroll costs and other eligible expenses incurred during the Covered Period.

ADDITIONAL INFORMATION

Solicitation of Proxies

All costs of soliciting proxies for the Meeting will be borne by the Company. In addition to the solicitation of proxies by use of the mail, directors and officers of the Company may solicit proxies by telephone, electronic communications, or personal contact, for which they will not receive any additional compensation. The Company may pay persons holding its shares in their names or those of their nominees for their expenses in sending soliciting materials to their beneficial owners. Authorizations to execute proxies may be obtained by telephonic instructions in accordance with procedures designed to authenticate the stockholder's identity. Stockholders requiring further information with respect to telephonic voting instructions may call toll-free at (800) 690-6903. Any stockholder giving a proxy may revoke it at any time before it is exercised by submitting to the Secretary of the Company a written notice of revocation or a subsequently executed proxy.

Voting and Quorum

Stockholders are entitled to one vote for each share held, and a fractional vote for each fractional share held. Shares represented by executed and unrevoked proxies will be voted in accordance with the instructions on the proxy card. If a stockholder has signed a proxy card but no instructions are indicated, the proxies will vote "FOR" each proposal and, in their discretion, upon such other matters as may properly come before the Meeting. A stockholder may revoke a proxy by delivering to the Company's Secretary, Mr. Donald Klimoski II, Esq. Global Self Storage, Inc., 11 Hanover Square, 12th Floor, New York, New York 10005, a properly executed proxy with a date later than the previously delivered proxy or by sending a written revocation to the Company. To be effective, such revocation must be received prior to the Meeting. In addition, any stockholder who attends the Meeting virtually may vote by ballot at the Meeting, thereby canceling any proxy previously given.

The presence virtually or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall constitute a quorum. If a quorum is not present at the Meeting, the chairman of the Meeting has the power to adjourn the Meeting from time to time to a date not more than 120 days after the original record date without notice other than announcement at the Meeting. At a reconvened Meeting, if a quorum is present, any business may be transacted that might have been transacted at the originally scheduled Meeting. A stockholder vote may be taken for one or more proposals prior to any adjournment if sufficient votes have been received for approval. If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker "non-vote" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Company on a particular matter with respect to which the broker or nominee does not have discretionary power) or is marked with an abstention (collectively, "abstentions"), shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining "votes cast" on an issue, thus having no effect on the outcome of Proposals 1 or 2.

No other business may be acted upon at the Meeting other than as described in this Proxy Statement. If any procedural matters related to the proposals described herein properly come before the Meeting, shares represented by proxies will be voted in the discretion of the person or persons holding the proxies.

Our Board knows of no other matters or business to be presented for consideration at the Meeting. If, however, any other matters properly come before the Meeting or any adjournments or postponements thereof, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their discretion on any such matters. The persons named in the enclosed proxy may also, if they deem it advisable, vote such proxy to adjourn the Meeting from time to time.

Discretionary Authority; Stockholder Proposals

Shares represented by executed and unrevoked proxies will confer discretionary authority to vote on matters which the Company did not have notice of a reasonable time prior to mailing this Proxy Statement to stockholders.

The Company's current bylaws provide that a stockholder of record may nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, provided generally that written notice be delivered to the Secretary of the Company, at the principal executive offices, not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. Accordingly, pursuant to such bylaws and Rule 14a-5(e)(2) of the Exchange Act, a record stockholder nomination or proposal intended to be considered at the 2022 Annual Meeting of Stockholders must be received by the Secretary of the Company no earlier than November 30, 2021 nor later than 5:00 p.m., Eastern time, on December 30, 2021. Proposals should be mailed to the Company, to the attention of the Company's Secretary, Mr. Donald Klimoski II, Esq., 11 Hanover Square, 12th

Floor, New York, New York 10005. In addition, if you wish to have your proposal considered for the inclusion in the Company's 2022 proxy statement, we must receive it on or before 5:00 p.m., Eastern time, on December 30, 2021, pursuant to Rule 14a-8(e)(2). The submission by a stockholder of a proposal for inclusion in the Company's 2022 proxy statement or presentation at the Company's 2022 Annual Meeting of Stockholders does not guarantee that it will be included or presented. Stockholder proposals are subject to certain requirements under the federal securities laws and the Maryland General Corporation Law and must be submitted in accordance with the Company's bylaws. Persons named as proxies for any subsequent stockholders' meeting will vote in their discretion with respect to proposals submitted on an untimely basis.

The Board, the chairman of the Board, and the president may call a special meeting of stockholders if required under applicable laws or in their discretion and the Secretary must call a special meeting of stockholders to act on any matter that may properly be considered at a meeting of stockholders upon the written request of stockholders entitled to cast a majority of all the votes entitled to be cast on such matter at the meeting. Any stockholder who wishes to submit proposals for consideration at a special meeting of the stockholders should send such proposals to the attention of the Company's Secretary, Donald Klimoski II, Global Self Storage, Inc., 11 Hanover Square, 12th Floor, New York, New York 10005. Any stockholder proposal intended to be presented at any special meeting of stockholders must be received by the Company at its principal office a reasonable time before the solicitation of proxies for such meeting in order for such proposal to be considered for inclusion in the proxy statement relating to such meeting. The submission by a stockholder of a proposal for inclusion in a proxy statement or presentation at a special meeting does not guarantee that it will be included or presented. Stockholder proposals are subject to certain requirements under the federal securities laws and Maryland law and must be submitted in accordance with the Company's bylaws.

Stockholders who wish to send communications to the Board or a specified member of a Board should submit the communication in writing to the attention of the Company's Secretary, Mr. Donald Klimoski II, Esq. Global Self Storage, Inc., 11 Hanover Square, 12th Floor, New York, New York 10005, identifying the correspondence as intended for the Board or a specified member of the Board.

Householding of Proxy Materials

To reduce the expenses of printing and delivering duplicate copies of proxy statements, some banks, brokers, and other nominee record holders may deliver only one copy of these materials to stockholders who share an address unless otherwise requested. If you share an address with another stockholder and have received only one copy of this Proxy Statement, you may request a separate copy of these materials at no cost to you by writing to Global Self Storage, Inc., Attention: Secretary, 11 Hanover Square, 12th Floor, New York, New York 10005. For future stockholder meetings, you may request separate copies of these materials or request that we send only one set of these materials to you if you are receiving multiple copies by calling or writing to us at the number or address given above.

Notice to Banks, Broker/Dealers, and Voting Directors and Their Nominees

It is important that proxies be returned promptly. Therefore, stockholders who do not expect to attend the Meeting virtually are urged to complete, sign, date, and return the enclosed proxy card in the enclosed stamped envelope.
